Faith Plus: Building on What You Have Been Given Michael C. Diotte,      Christian Unity Through God's Starter Kit by Jesus William McCracken, Bill McCracken, 2012-05 Christian Unity Through God's Starter Kit By Jesus was written by Bill McCracken from the perspective of a layman that determined in his heart to do things God's way on October 18 1983 and after about a year of peace found himself in a battle he wasn't prepared for by his church This is the story of what God has taught him through the eyes of the Bible our window to the spiritual realm He found that through God's riches in Christ Jesus that God had given him a Starter Kit of truth wisdom righteousness sanctification justification glorification holiness remission redemption mercy grace and peace with God so we can take that Starter Kit and become wise righteous sanctified just trustworthy holy washed in His Word redeemed merciful compassionate peacemakers so that he could go into spiritual warfare knowing who he is in Christ Jesus Bill also found that we as Christians are all one in Christ Jesus according to Galatians 3:26-28 and that God's Word says that God wants no divisions among his people in First Corinthians 1:10 plus other scriptures that tell us to be in one accord likeminded of one mind that we all speak the same thing that we be perfectly joined together and that we should all come together in the unity of the faith Sadly Bill found that Christianity is deeply divided and splintered with over 38 000 different denominations worldwide and 1 500 in the United States alone We must come together as one and defeat our one and only enemy satan and his demons Fortunately when Bill came to God he literally did not know an epistle from an apostle and God could take that empty vessel and fill it with the truth from God's Word He received the baptism of the Holy Ghost on November 26 1983 and then could begin to teach him through ministering to others failure or experience the fire books and tapes preaching and it's amazing what you learn when you look up a word in a Bible concordance and learn the definition from the Greek dictionary You know the definition and then see how God teaches it in the Bible and it really isn't that difficult Learn about God's Starter Kit by Jesus born again repentance baptism the baptism of the Holy Spirit and fire and the armor of God Learn what a fiery dart is and how to defeat the fiery darts of the wicked and the story of satan and God's plan through Christ Jesus that defeated him Learn about the covenant God has made with His children through His Son and then the authority He has given Christians in the spiritual realm in the Name of Jesus Revelation 12:11 And they overcame him the devil by the blood of the Lamb Jesus The Word of God and by the word of their testimony Our testimony is very important to help others overcome the works of the devil when we combine it with the works of the cross and the Word of God First John 3:8 For this purpose the Son of God was manifested that He might destroy the works of the devil God's blessings Bill McCracken      **Religions as Brands** Jean-Claude Usunier, Jörg Stolz, 2016-04-01 During the twentieth century religion has gone on the market place Churches and religious groups are forced to sell god in order to be attractive to religious consumers More and more religions are seen as brands that have to be recognizable to their members and the general public What does this do to religion How do religious groups and believers react What is the

consequence for society as a whole This book brings together some of the best international specialists from marketing sociology and economics in order to answer these and similar questions The interdisciplinary book treats new developments in three fields that have hitherto evolved rather independently the commoditization of religion the link between religion and consumer behavior and the economics of religion By combining and cross fertilizing these three fields the book shows just what happens when religions become brands From Memory to Imagination C. Randall Bradley,2012-09-21 The relatively recent worship wars over styles of worship traditional contemporary or blended have calmed down and many churches have now reached decisions about which worship style defines them At a more fundamental level however change has yet to begin In *From Memory to Imagination* Randall Bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes namely the effects of postmodernism call for new approaches to worship Outlining imaginative ways for the church to move forward this book is a must read for church leaders and anyone interested in worship music
