## **Punished By Daddy Abdl Ageplay Erotica:**

**Training Little Sophie 1 (ABDL Erotica, Adult Baby, Spanking, Forced Regression)** Kitty Carmichael, A good girl does exactly as her Daddy says or she gets punished He was the one person I couldn't have On the morning of my eighteenth birthday I woke to a shock I was locked inside an adult sized playpen Determined to stay the man of the house's little girl forever I soon found myself wearing a diaper and acting like an adult baby I knew it was wrong but some taboo fantasies are just too tempting to resist Hard and without protection this ABDL Age Play story is too steamy to describe Take a Look Inside to learn more Categories Erotica ABDL Age Play Taboo *Layers Zorro Daddy*,2021-01-19 This is an adult story about age players and adult fetishes It is not intended to be read by minors The story line in this book is a bit more challenging to describe than the story lines in the other ABDL books I've written That's because this story is very partially What that means is it's partially humiliation partially fantasy partially reality partially BDSM oriented partially discipline partially sexual partially romantic and partially pure n innocent To give it a fun little rhyme this one is a twisty turny tryst y journey *Layers* is the story of an internal journey taken by a girl named Jessica She finds herself in situations that were created by decisions she made as well as the events of her life It's a story not of self discovery but rather of self invention and the journey she takes leads to self reinvention And as the circumstances mount up for her a conclusion is on the horizon that will alter the direction of her life But only a wise decision on her part will answer the questions she has and show her the clear pathway to take Yes Jessica does get crinkly in this story She is a BabyGirl and adores the diapers But there are darker chapters in this book as well that may lead to triggers for you the reader if you are sensitive to uncomfortable happenings If you enjoy a story that twists as you turn the pages then *Layers* is right up your alley This is adult material and therefore is not intended for minors *The Pathway of Legacy Zorro Daddy*,2022-01-31 An adult age play story about two females who fall in love and explore the depths of a dynamic uncommon This is adult material and therefore not intended for minors As with all of *The Mommy Grats* books *The Pathway of Legacy* shows a combination of characters other than Daddy and BabyGirl In this case it's Mommy and BabyGirl Katherine is a brilliant girl who breezed her way through college hardly having to apply herself at all But the summer before grad school began would teach her that being nice was the one bit of education she had ignored Now she would be re trained all summer long and if she didn't turn from sassy into classy there would be no grad school in the fall In this book the power struggle is on between Mommy and BabyGirl It's sweeter than cherry pie and that cherry pie is starting to heat up This is adult material and therefore not intended for minors *Punished and Pampered POLLY*. BANE,2025-02-12 Introduction *Punished and Pampered* She signed away one year of her life but what happens when she never wants to leave Rowan's hands shook as she stared at the contract in front of her The words blurred together but the terms were clear one year absolute submission no safe words no backing out When the debt collectors started circling when every door had slammed in her face she had thought she had no choices left Until Damien Black made her an offer The
