

Safety Tips

CAUTION: Please read and strictly observe the following precautionary measures for your safety.

Electrical energy can perform many useful functions. This unit has been engineered and manufactured to assure your personal safety. But improper use can result in potential electrical shock or fire hazards. In order not to defeat the safeguards incorporated in this unit, observe the following basic rules.

1 This unit is provided with ventilation openings in the cabinet to allow heat generated during operation to be released. Never block the ventilation grille and never place the set near or over radiator or heat register.

2 Overloaded AC outlets and extension cords are dangerous, and so are frayed power cords and broken plugs. Call your service technician for replacement of dangerous power cords.

3 This unit should not be directly exposed to sunlight, and should be kept free from dust, moisture and vibration.

4 To avoid personal injury, do not place the unit on a sloping shelf unless properly secured.

5 Turn off the unit before cleaning the cabinet. Use a slightly damp (not wet) cloth. Never use solvents such as alcohol, benzine, or thinner as they may mar the finish of the cabinet.

6 For added protection of the unit during a lightning storm or when the set is to be left unattended for an extended period of time, unplug it from the wall outlet. This will prevent possible shock and fire hazard due to lightning storms or power line surges.

7 Never expose the set to rain or water. Never operate the unit if liquid has been spilled into it. If the unit becomes damp or wet, pull the plug and have the set inspected by a service technician before further use. Rain or excessive moisture — even as a result of extended exposure on a back porch — as well as spilled liquid inside can cause electrical shorts which can result in fire or shock hazards.

Do not attempt to repair the set by yourself, but contact your nearest Panasonic Servicenter for necessary repairs.

***WARNING: TO PREVENT FIRE OR SHOCK HAZARD, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE.**
