Vampire Diaries The Hunters Moon:

Werewolves and Other Shapeshifters in Popular Culture Kimberley McMahon-Coleman, Roslyn Weaver, 2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here [The Craving](#) L.J.
