ASTRAVAN

MARK DAWSON

Mark Dawson owns this 1.7TD MkIV Astravan. It spent the first six years of its life in company hands before the gearbox expired and it wasn't worth fixing. Mark managed to pick it up cheaply and get a gearbox fitted, but instead of selling it on for a tidy profit he kept it and started modifying. So far there's full colour coding, coupé turbo front bumper, quad lamps, 17 inch TSW Evo R wheels, single wiper conversion and a stainless steel exhaust. To complete the project Mark wants a petrol turbo engine.
