A night photograph of a park in Vienna, Austria. The scene is illuminated by warm, golden lights from buildings and street lamps, contrasting with the deep blue twilight sky. In the foreground, several large, leafless trees are decorated with strings of warm white lights. A large, ornate building with a prominent spire is visible in the background. The overall atmosphere is festive and romantic.

they go searching in violation of their orders to evacuate Will their discovery be worth the risk to not only their careers but  
their lives      RAQUEL (English Version) Sergio Mora Cantoral, 2019-06-01 Raquel is a novel that alludes to thousands of  
women who experience violence in an abrupt and brutal manner that leaves its mark not only on them but also on their  
families and in less visible ways on society as a whole Violence against women has escalated alarmingly in Mexico This  
increase has not only been quantitative but also in terms of cruelty so that when leaving home the feeling is one of fear of  
small and large scale violence harassment rape kidnapping death In the midst of this contemporary ferocity Raquel presents  
us with a story of strong courageous risk taking women who are also companions of men committed to respectful  
relationships A story where the mother with her example transmits strength and demonstrates to her daughters every day  
how to value themselves take care of themselves and be assertive Raquel presents a clear position the person responsible for  
violence is the one who commits it the State is the guarantor of Human Rights and the only task of the victim is to get ahead  
relying on who she decides and in the way she can Dark alleys majestic buildings and an imposing mountain in Guanajuato  
are the setting for a novel that takes us from despair to hope from frustration to pleasure and from fear to joy A novel that  
contains enough elements to make evident the fragility of the individual but how resoundingly strong he or she can be with  
others Raquel is like violence direct clear raw and at the same time powerful Raquel its protagonist kidnapped by a group of  
criminals who systematically use women for their own satisfaction takes us by the hand to discover organized crime networks  
and their alliances with the authorities while showing us what strength faith and the love of the family can achieve What  
connects us with the people we love What are the reaches of the psyche in extreme situations Can science prove what are the  
true limits of the mind Raquel invites us to leave aside the known and rational world and to enjoy the possibilities of intuition
