Sweetland A Novel:

Sweetland Michael Crummey, 2015-03-26 For twelve generations the inhabitants of a remote island in Newfoundland have lived and died together Now in the second decade of the 21st century they are facing resettlement They have each been offered a generous compensation package to leave the island for good There s just one proviso everyone must go Gradually all of the residents surrender to the inevitable All of the residents that is but one old Moses Sweetland Motivated in part by a sense of history and belonging and concerned that his somewhat eccentric great nephew will wilt on the mainland Moses resists the coercion of family and friends in order to hold onto the only place he s ever called home As his options dwindle Moses Sweetland concocts a scheme to remain the island s only living resident Cut off from the outside world with the food supply diminishing and weather shredding away the last evidence of human habitation Sweetland finds himself finally in the company of ghosts Written with incomparable emotional power and depth Sweetland is a story about loyalty and courage about the human will to persist even when all hope seems lost

Sweetland Michael Crummey, 2014 Sweetland is a story about one man s struggles against the forces of nature on a remote island just off Newfoundland

Negotiating Waters: Seas, Oceans, and Passageways in the Colonial and Postcolonial Anglophone World André Dodeman, Nancy Pedri, 2020-01-31 This book examines how seas oceans and passageways have shaped and reshaped cultural identities spurred stories of reunion and separation and redefined entire nations It explores how entire communities have crossed seas and oceans voluntarily or not to settle in foreign lands and undergone identity cultural and literary transformations It also explores how these crossings are represented The book thus contributes to oceanic studies a field of study that asks how the seas and oceans have and continue to affect political narratives of exploration cartography international maritime law identity insularity and literary issues survival narratives fishing stories Divided into three sections *Negotiating Waters* explores the management the crossings and the re imaginings of the seas and oceans that played such an important role in the configuration of the colonial and postcolonial world and imagination In their careful considerations of how water figures prominently in maps travel journals diaries letters and literary narratives from the 17th century onwards the three thematic sections come together to shed light on how water in all of its shapes and forms has marked lands nations and identities They thus offer readers from different disciplines and with different colonial and postcolonial interests the possibility to investigate and discover new approaches to maritime spaces By advancing views on how seas and oceans exert power through representation *Negotiating Waters* engages in important critical work in an age of rising concern about maritime environments

A Provincial Organ Builder in Victorian England Gordon D.W. Curtis, 2016-03-16 William Sweetland was a Bath organ builder who flourished from c 1847 to 1902 during which time he built about 300 organs mostly for churches and chapels in Somerset Gloucestershire and Wiltshire but also for locations scattered south of a line from the Wirral to the Wash Gordon Curtis places this work of a provincial organ builder in the wider context of English musical life in the latter half of

the nineteenth century An introductory chapter reviews the provincial musical scene and sets the organ in the context of religious worship public concerts and domestic music making The book relates the biographical details of Sweetland s family and business history using material obtained from public and family records Curtis surveys Sweetland s organ building work in general and some of his most important organs in detail with patents and other inventions explored The musical repertoire of the provinces particularly with regard to organ recitals is discussed as well as noting Sweetland s acquaintances other organ builders architects and artists Part II of the book consists of a Gazetteer of all known organs by Sweetland organized by counties Each entry contains a short history of the instrument and its present condition Since there is no definitive published list of his work and as all the office records were lost in a fire many years ago this will be the nearest approach to a comprehensive list for this builder
