Slaves No More Report:

Slaves No More Ira Berlin, 1992-11-27 Three essays present an introduction and history of the emancipation of the slaves during the Civil War

A Slave No More David W. Blight, 2007 Slave narratives are extremely rare with only 55 post Civil War narratives surviving A mere handful are first person accounts by slaves who ran away and freed themselves Now two newly uncovered narratives join that exclusive group Handed down through family and friends they tell gripping stories of escape Through a combination of intelligence daring and sheer luck the men reached the protection of occupying Union troops Historian Blight prefaces the narratives with each man's life history Using genealogical information Blight has reconstructed their childhoods as sons of white slaveholders their service as cooks and camp hands during the Civil War and their climb to black working class stability in the North where they reunited their families In the stories of Wallace Turnage and John Washington we find portals that offer a rich new answer to the question of how four million people moved from slavery to freedom From publisher description

Nandini Boodia-Canoo, 2023-01-31 This book addresses historical issues of colonialism and race which influenced the formation of multicultural society in Mauritius During the 19th century Mauritius was Britain's prime sugar producing colony yet unlike the West Indies its history has remained significantly under researched The modern demographic of multi ethnic Mauritius is unusual as in the absence of an indigenous people descendants of colonists slaves and indentured labourers constitute the majority of the island's population today Thus it may be said that the Mauritian nation was assembled during the period in question This work draws on an in depth examination of the two labour systems through which the island came to be populated slavery and indenture In studying the relevant laws four legal events of historical importance within the context of these two labour systems are identified the abolition of the slave trade the abolition of slavery private indentured labour migration and state regulated indenture This book is notable in that it presents a legal analysis of core historical events thus straddling the line between two disciplines and covers both slavery and indentured labour in Mauritian history Mauritius as an originally uninhabited island presents a rare case study for inquiries into colonial legacies multiculturalism and race consciousness The book will be a valuable resource to scholars worldwide in the fields of slavery indenture and the legal apparatus of forced labour
