The Quality Audit for ISO 9001:2000 David Wealleans, 2017-03-02 Since the publication of the first edition of this book in 2000 the revised ISO 9001 standard has been implemented and is being used widely While the basic premise of the original book is still sound the reality of auditing the new standard has shown up various areas which require refinement this new edition addresses that need It remains a pragmatic guide covering all

aspects of auditing including certification assessment supplier investigation and internal audit enabling auditors to appreciate the approaches adopted by those working in related areas With its detailed analysis of the requirements of ISO 9001 2000 this book will also be of interest to all those involved in implementing certified quality management systems as well as the auditors who are required to examine those systems A down to earth approach is taken throughout The Quality Audit for ISO 9001 2000 avoiding the impractical and nit picking methods which have so often characterized quality management audits making it an invaluable source of realistic advice It demonstrates how to produce real benefits from an audit programme rather than simply guaranteeing compliance to a documented system Everyone who sees audits as a useful tool for business improvement should read this book

Teaching Travel And Tourism 14+ Huggett, Cliff, Pownall, Deborah, 2010-10-01 Teaching Travel and Tourism 14 has been written in response to a perceived need in initial teacher training to address the pedagogy of vocational programmes in the field as a vocational subject It therefore focuses on theoretical approaches to teaching learning and assessment and how they can inform the way in which we plan and deliver programmes of Travel and Tourism studies It examines how we teach programmes related to preparation for working in the industry programmes such as the National Diplomas specific professional qualifications and of course the new 14 19 Diplomas It is intended to inform and stimulate to further study all likely to be involved in the development and delivery of such programmes This could include those engaged in initial teacher training whether experienced practitioners or post graduate students subject mentors now required to support new teachers experienced teachers unfamiliar with the subject who may be required to teach on these programmes and also administrators needing to familiarise themselves with the nature content and delivery of the subject as an innovation to the curriculum Therefore although initially it examines the nature of the industry and raises discussion of issues pertinent to the delivery of related vocational programmes it is essentially a useful resource book with a wealth of information about the exciting curriculum opportunities that the subject presents Through interactive exercises case studies and exemplar resources it provides the reader with a foundation of usable activities to develop a variety of teaching and learning strategies which will enhance their delivery of the Travel and Tourism curriculum
