SLINGBOX 500

Quick Start Guide

Before you get started.

To ensure you can instantly view your entire cable or satellite lineup through, please use the recommended HDMI and component cable configurations as defined in section 1.

If you are connecting to a standard HDMI network, leave your channel name and password blank before starting the set-up screen setup.

If you are setting up from a PC or Mac*, make sure it meets the minimum system requirements. To get more info on the Slingbox system requirements, please visit www.slingbox.com/system-requirements or visit our support department at www.slingbox.com/support

Write down the brand and model of your cable/satellite (C/S) service. You'll need this information when configuring your Slingbox.

*Your entire cable/satellite service must be in your area. Please keep this in mind for the optimal results. Although a complete service is better for the ability to get the best picture, Slingbox is compatible with most cable and satellite services. Visit our support department at www.slingbox.com
