Astrological Gastronomy
 James Rusk, Amy Rusk, Sara Rusk, 2005-07 *Astrological Gastronomy* is based on the thesis that cooking and eating are idiosyncratic and that effectiveness in partaking in culinary activities is enhanced if it is grounded in a culture and complemented by an understanding of personal attributes This unique approach should appeal to the community of cookbook readers from a variety of perspectives The idea of temperamental cooking and eating explained is an invitation to readers of astrology columns as well as to all observers of popular culture The focus upon dishes from Africa Latin America and Asia should appeal to experimental cooks while the regional and ethnic character of American recipes should draw the attention of people who prefer provincial cuisine Finally the personalization of recipes in the setting of their evolution and relationships with foods in other cultures lends a humane quality to the collection that is enriched with numerous related explanatory notes and suggestions for accompaniments
