John Calvin's Commentaries On The Gospel Of John

Vol. 2 John Calvin, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Commentaries On The Gospel Of John are numerous and some of them are written with great learning and ability Rarely has a separate and extended interpretation been given to any of the other three Gospels which are indeed so closely interwoven with each other that it is scarcely possible to expound one of them in a satisfactory manner without bringing the whole into one view comparing parallel passages accounting for apparent contradictions and supplying the omissions of each narrative to such an extent as to produce what shall be in substance though not always in form a HARMONY OF THE THREE EVANGELISTS The present Work brings under review some of the most intricate questions in theology and in handling them he is not more careful to learn all that has been revealed than to avoid unauthorized speculation They who know the difficulty of the path will the more highly appreciate so skillful a guide who advances with a firm step points out the bypaths which have misled the unwary conducts us to scenes which we had not previously explored and aids us in listening to a Divine voice which says This is the way walk ye in it This edition contains the commentaries on John 12 21

The Historians' History of the World Vol.2 (of 25) (Illustrations) Henry Smith

Williams, Many a nation has walked God s earth has long enjoyed its good things has come into being and passed away without our knowing anything of its history or even whether it had a history at all For no nation has a history except one that makes history that is to say that influences the course of human development It is with races as with individuals none is kept in mind by posterity save those who have distinguished themselves by ideas that have modified the life of mankind or which comes to the same thing have been pioneers in fresh fields of action The greater the spiritual gain a nation has brought to the rest of the world the longer and more steadily its life has flowed in the channels it was the first to make the longer is its history told among them The nations of history are those which have put forward in one fashion or another their claim to the

dominion of the world Thus we may fitly ask what claim it is that is made upon our interest by the history of the Jewish nation And the answer will be that nothing which excites our attention or stirs us to admiration or imitation in the history of other nations is here present in any large measure Israel was always a small nay a petty nation settled in a narrow space never of any considerable importance in the political history of the East it never brought forth a Ramses II a Sargon an Esarhaddon an Assurbanapal a Nebuchadrezzar or a Cyrus to bear its banner into distant lands Yet for all this the history of Israel has for us an interest quite different from that of those other nations of antiquity And if as we see Israel is far surpassed in martial glory by the peoples of the great empires and by the Romans in their influence on the development of law there are yet other points in which it must yield unquestioned precedence to other nations of antiquity We do not find in Israel the same feeling for beauty as among the Greeks who like no nation before them or after showed forth the laws of beauty in every sphere of intellectual life and to this day in such matters stand forth in a perfection which has never again been attained far less excelled Among the Hebrews there is nothing analogous nothing comparable to what we admire in the Hellenic people It has no epic nothing that can be compared with the Iliad and the Odyssey against which the Germans set the Nibelungen Lied and the Finns the Kalewala it has not the slightest rudiments of a drama the Song of Songs and Job are not dramas There is a school of lyrical poetry unsurpassed for all time and the music that corresponds to it But the bent towards science which actuates the Greeks is wholly lacking wholly lacking the bent towards 2 philosophy Nor was it ever eminent in ancient days in the walks of commerce enterprise and invention by which also a nation may conquer the world its intellectual life is absolutely one sided a one sidedness that produces on us the effect of extreme singularity But the attraction it has for us does not lie in this singularity It is due rather to the circumstance that this small nation has exerted a far greater influence over the course of the history of the whole human race than the Greeks or Romans that to us it has become typical in many more respects than they Our present modes of thought and feeling our lives and actions are far more profoundly influenced by the world of thought and feeling which Israel brought to the birth than by that of Greece or Rome Our whole civilisation to day is saturated with tendencies and impulses which have their origin in Israel To be continue in this ebook 90 World Classics You Should Read Before You Die (Vol.2) Johann Wolfgang von Goethe,Stendhal,Jules Verne,Gustave Flaubert,Theodor Storm,Henrik Ibsen,Charles Dickens,Honoré de Balzac,Harriet Beecher Stowe,Rabindranath Tagore,Fyodor Dostoyevsky,Robert Louis Stevenson,James Fenimore Cooper,Edgar Allan Poe,John Buchan,Confucius,George MacDonald,Bram Stoker,Henry James,Victor Hugo,Joseph Conrad,Jane Austen,Walter Scott,Laurence Sterne,Thomas Hardy,Jonathan Swift,Edith Wharton,Daniel Defoe,Henry Fielding,Sinclair Lewis,Anthony Trollope,Alexandre Dumas,William Dean Howells,Kalidasa,Virginia Woolf,William Walker Atkinson,Kenneth Grahame,Washington Irving,Willa Cather,Nathaniel Hawthorne,Homer,Gaston Leroux,Wilkie Collins,Ford Madox Ford,Benjamin Franklin,Kate Chopin,John Milton,Charlotte Perkins Gilman,Edgar Wallace,Kurt Vonnegut,Laozi,Ann Ward Radcliffe,Kakuzo Okakura,H.
