Sherry Cracker Gets Normal:

Literary Prizes and Cultural Transfer Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05

Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon. The contributions to this book analyse the social, institutional and ideological functions of such prizes. This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry. Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes. The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes, presenting the state of the art regarding recent developments in the field. Articles with a broader scope discuss definitions, concepts and methods while other contributions deal with specific case studies. A variety of theoretical and methodological approaches are explored applying field theory, network analysis, comparative literature and cultural transfer studies. By providing multiple perspectives on the literary prize, this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon.

Sherry Cracker Gets Normal D. J. Connell, 2011-07-07 Is the meaning of life to find the meaning of life **Broken** Sarah Deaderick, 2022-11-04 The voice of a child often gets dismissed. When you were in school, do you remember seeing the sad girl in the back of the class? The kid that smelled a little funny and was always picked on for it or was a bully themselves? What was your role in this situation? I wonder, did you ever stop to think what is happening in their home to make them the way that they are? This true story is of a broken girl who took years to speak up and now is blurting it on the rooftops. She wanted to die because of the abuse and the traumas she experienced in her life and most of the time no one would even listen. There is so much trauma and so many people who do help but also so many people who do not know how to help. Dig in to post-traumatic stress disorder, dissociation disorder and so much more as she relives her life just for you. You will also find the resources you need to get help if you know someone or have known of someone who has been physically or sexually assaulted or just needs mental health help in general. Join her on this journey to create awareness around PTSD and child abuse. It could happen to anyone. More importantly, join her to create an army of very aware children to protect yourself from the monster predators that are very real. *Chimera* John Barth, 2001 In *CHIMERA* John Barth injects his signature wit into the tales of Scheherazade of the Thousand and One Nights, Perseus the slayer of Medusa and Bellerophon who tamed the winged horse Pegasus. In a book that the Washington Post called stylishly maned, tragically songful and serpentine, elegantly Barth retells these tales from varying perspectives, examining the myths' relationship to reality and their resonance with the contemporary world. A winner of the National Book Award, this feisty, witty, sometimes bawdy book provoked Playboy to comment: 'There's every chance in the world that John Barth is a genius.' **THUNDER FROM THE SEA** Malcolm Bruce,
