

[The Beauty of Nature Essay examples](#)

The Beauty of Nature

The sunset was not spectacular that day. The vivid ruby and tangerine streaks that so often caressed the blue brow of the sky were sleeping, hidden behind the heavy mists. There are some days when the sunlight seems to dance, to weave and frolic with tongues of fire between the blades of grass. Not on that day. That evening, the yellow light was sickly. It diffused softly through the gray curtains with a shrouded light that just failed to illuminate. High up in the treetops, the leaves swayed, but on the ground, the grass was silent, limp and unmoving. The sun set and the earth waited.

On the edge of a small wood, an ancient tree sat hunched over, the gnarled, old king of a once vast domain that had long ago...[show more content...](#)

The bees still buzzed and hummed among the flowers; the deer still grazed softly among the undulating waves of grass, yet in that moment, their movement seemed arrested, held in check by the waning sun.

And the winds came.

The wild west wind came down through the fields, rousing the deer from their reverie, and swaying the bee-studded flowers. From its highest bough to the loose sand on its mighty roots, the ancient tree quivered lightly, yet was untroubled by the breeze. Many a storm had passed over the tree, yet no rain had managed to drown those fathomless roots, no hail had managed to bite the iron bark.

As the stars hang, unchanging in the nighttime sky, and as the sun moves in ceaseless circles around the earth, so the tree had endured. And even as the wind rustled in its outermost boughs, the tree looked out to the sun, as if for reassurance about its own unchanging eternity. On the horizon, no yellow eye looked back. The sun was gone.

In a tumult of wind and rain, a hail of twigs and leaves thundered through the trees and tore the arching grasses out by the roots. The deer bolted and hid, quivering, in the darkest thickets. The sky boiled, and the younger saplings were bent almost to the ground. Even as the shadows bounded up the stalks and blades of weeping grass, and the soft plink of falling rain quickened to a constant hiss and sputter, the sun found its equal. A thousand stars came down to earth and unleashed their pent-up fury on that wood.
