**Statement of Claims of the British Subjects Interested in Opium Surrendered to Captain Elliot at Canton for the Public Service** Roundell Palmer Earl of Selborne,1840      **Surrendered Child** Karen Salyer McElmurray,2011-08-15

Surrendered Child is Karen Salyer McElmurray's raw poignant account of her journey from her teen years when she put her newborn child up for adoption to adulthood and a desperate search for the son she never knew. In a patchwork narrative interwoven with dark memories from her childhood, McElmurray deftly treads where few dare into a gritty honest exploration of the loss a birth mother experiences. The year was 1973, a time of social upheaval even in small town Kentucky where McElmurray grew up. More than a story of time and place, however, this is about a girl who at the age of sixteen relinquished her son. Twenty-five years would pass before McElmurray began sharing this part of her past with others and actively looking for her son. McElmurray's own troubled upbringing and her quest after a now fully grown son are the heart of her story. With unflinching honesty, McElmurray recounts both the painful surrendering and the surprise rediscovery of her son, juxtaposed with her portrayal of her own mother who could not provide the love she needed. The dramatic result is a story of birthright lost and found and an exploration of the meaning of motherhood itself.

**Surrendered—The Sacred Art** Rami Shapiro,2019-07-23

To live the surrendered life, a life no longer centered on control and hence no longer at odds with the ordinary suffering of everyday living, Rabbi Rami closely examines the first three steps of Twelve Step recovery to help us cut through the denial, illusions, and falsehoods that bind us in our fight with addictions of all kinds. He draws upon his half-century engagement with Christianity, Judaism, Buddhism, Taoism, Hinduism, and Islam, as well as his own and other people's struggles in Twelve Step recovery to guide us in our awakening to reality's freedom and the path to living joyously and well.

**Reclaiming Surrendered Ground** Jim Logan,2015-12-15

Equip Your Family for Spiritual Warfare. Jim Logan used to think spiritual warfare was a radical idea. But in his work as a counselor, he realized just how real it is, especially in the lives of families. Few families are aware of Satan's attacks on them. Even fewer know how to withstand them. Is yours ready? Reclaiming Surrendered Ground is born out of the principles Logan returned to again and again to counsel families under satanic attack. It will help you and your family to discover where you have given ground to the Enemy, reclaim that ground, and then live freely in Christ's victory. Don't let the enemy get a foothold in your family. Read Reclaiming Surrendered Ground and be equipped for battle.

**Surrendered** Kevin K. Kumashiro,2020

In this dynamic book, Kevin Kumashiro offers a necessary intervention to help progressive educators and advocates take back public education. This book highlights how the broader Left, progressives, liberals, Democrats, teacher unions, civil rights organizations, are often talking about the problem in ways that were framed by forces contrary to the goals of democracy and justice, and in so doing, are advancing solutions that cannot help but be counterproductive. Kumashiro explains when, why, and how this has happened, particularly regarding the insidious nature of popular reforms. He also dives into some of the biggest battles in education today, such as affirmative

action free speech and hate speech bullying and violence teacher shortages and student debt Surrendered offers a different path forward for K 12 and higher education by showing readers how to establish a progressive agenda employ language and harness evidence more effectively Book Features Illuminates the power of framing and the role that language and common sense play in shaping public opinion and educational policy Provides an historical overview of the conservative forces that have shaped public education in the United States Examines many of the biggest battles in education today particularly the enduring conservative framings of these issues Offers progressive interpretations and concrete suggestions for movement building Uses accessible language and personal stories to connect history with current debates      **Surrendered and**
