Philadelphia Orchestra Richard A. Kaplan, 2015-01-16 The Philadelphia Orchestra is the most recorded orchestra in the United States and its recordings have contributed much to its reputation as The World's Greatest Orchestra. In *The Philadelphia Orchestra: An Annotated Discography* Richard A. Kaplan documents more than 2,000 commercial recordings made by the Philadelphia Orchestra over almost a century. The discography contains a chronological list of recordings detailing works performed, conductors, soloists, dates, venues, producers, and matrix information for 78 rpm recordings. Each entry lists all issues of the recordings including 78 and 45 rpm discs, long playing records, and compact discs. The discography documents for the first time the recordings made by Columbia on sixteen inch lacquer discs during the 1940s and 50s. Opening with an overview of the Orchestra's relationships with recording companies and the search for suitable recording venues, chapters cover anonymously and pseudonymously published recordings including those of the Robin Hood Dell Orchestra of Philadelphia, the experimental 1931-32 Bell Labs recordings, videos, and movies in which the Philadelphia Orchestra performed live recordings, and recordings of ensembles of the Philadelphia Orchestra. A separate chapter lists live concert downloads made available directly through the Philadelphia Orchestra Association. Appendixes cross-reference the recordings by composer, conductor, and soloists; a final appendix lists the many Philadelphia Orchestra LP collections published by Columbia and RCA. This book is a valuable resource for collectors, scholars, and anyone interested in recording history and the history of the Philadelphia Orchestra.

Appalachian Spring Aaron Copland, 2019-12-31 *Appalachian Spring* is perhaps the most popular work by Aaron Copland. 1900-1990. Composed as a ballet for the renowned choreographer Martha Graham. 1894-1991. It was the result of a close collaboration between Copland and Graham, and the music quickly took on a life of its own. However, the best known versions of the score, those most frequently recorded and heard in concert, differ in form and musical content from the original ballet, which was scored for a chamber ensemble of thirteen instruments and premiered by the Martha Graham Dance Company at the Library of Congress on 30 October 1944. This edition presents the first completed engraving of the original version of *Appalachian Spring*, providing musicians and scholars access to the score as it has been performed for more than 75 years by the Graham Company. On each page of the score, the editors have included stills from the 1958 film of the ballet with Graham dancing the lead role in order to highlight the connection between music and dance. An introductory essay explores the creation of the work, the musical structure, the origins of, and differences among multiple versions of the score, and the continued significance and influence of Copland's music. The critical commentary draws on manuscript and published sources as well as Graham Company performance practice to illuminate editorial decisions. The edition also includes appendices that present a comparison of historical tempi markings from the Graham tradition for augmenting the orchestration and a selected discography of different versions of the score.

An Annotated Guide to Wind Chamber Music Rodney Winther, 2004-08-25 Wind chamber music has become an important part of the contemporary wind band program during the past half century, and now a most complete reference text has been

written to provide any and all necessary information concerning repertoire Winther lists over 500 works by instrumentation and provides guidance on timings difficulty level publisher sources available recordings and his own insight into rehearsing and programming each individual work This book will soon be required reading for every wind conductor and performer

American Music Librarianship Carol June Bradley, 2013-09-13 The literature of American music librarianship has been around since the 19th century when public libraries began to keep records of player piano concerts significant donations of books and music and suggestions for housing music As the 20th century began American periodicals printed more and more articles on increasingly specialized topics within music studies Eventually books were developed to aid the music librarian their publication has continued over the course of nearly a century This book reflects the great diversity of the literature of music librarianship The main resources included are items of historical interest descriptions of individual collections catalogues of collections articles describing specific library functions record related subjects bibliographies designed for music library use literature from Canada and Britain when relevant to U S library practices key discographies and information on specialized music research The material is ordered by topic and indexed by author subject and library name

Annotated Guide to Bass Trombone Literature Thomas G. Everett, 1973

Musical News and Herald , 1927

Sacred Christmas Music Ronald M. Clancy, 2008

Take a musical journey in time from the dawn of the Church's liturgical song through the Baroque's great choral and instrumental works to representative pieces of the 20th century. This is the sacred tradition of Christmas music explored here in a stunningly illustrated book and a magnificent CD. It covers vocal and instrumental pieces from a variety of national and historical periods and styles, all of which have earned a place in the canon of great musical masterpieces. Not only will musicians and non-musicians alike find this an easily accessible guide, but they'll feast on a sumptuous gallery of thematically and historically corresponding full color art, including a 14th century manuscript illumination and a nativity scene by Fra Angelico, and revel in some of the best recordings of the music ever made. There's rich, interesting background on every work, from Latin hymns and liturgical chants to Bach's cantatas to contemporary carols. The CD includes the Vienna Boys Choir performing *Anima Nostra*, Arcangelo Corelli's Christmas Concerto, The Trappist Monks of the Abbey of Our Lady of Gethsemani singing Gregorian Chants, excerpts from Handel's *Messiah*, and the beloved *Silent Night*. No other collection brings together all these elements in such an aesthetically pleasing and educational way. *Library Literature*, 1976

Official Bulletin, 1932 *American Studies* Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 *Van Cliburn* Howard Reich, 1993 A biography of the American pianist who won the first Tchaikovsky International Piano Competition and established the international piano competition named after him

American Book Publishing Record, 2000 **The Musical** William Everett, 2011-06-02 The musical, whether on stage or screen, is undoubtedly one of the most recognizable musical genres, yet one of the most perplexing. What are its defining features? How does it negotiate multiple socio-cultural economic spaces? Is it a popular tradition? Is it a commercial enterprise? Is it a sophisticated cultural product and signifier? This research guide includes more than 1,400 annotated entries related to the genre as it appears on stage and screen. It includes reference works, monographs, articles, anthologies, and websites related to the musical. Separate sections are devoted to sub-genres such as operetta and megamusical, non-English language musical genres in the U.S., traditions outside the U.S., individual shows, creators, performers, and performance. The second edition reflects the notable increase in musical theater scholarship since 2000. In addition to printed materials, it includes multimedia and electronic resources. **Fiddling Is My Joy** Jacqueline Cogdell DjeDje, 2025-06-18 In *Fiddling Is My Joy*, Jacqueline Cogdell DjeDje examines the history of fiddling among African Americans from the seventeenth to the mid-twentieth century. Although music historians acknowledge a prominent African American fiddle tradition during the era of slavery, only recently have researchers begun to closely examine the history and social implications of these musical practices. Research on African music reveals a highly developed tradition in West Africa which dates to the eleventh or twelfth century and continues today. From these West African roots, fiddling was prominent in many African American communities between the seventeenth and nineteenth centuries, and the fiddle became an important instrument in early twentieth century blues.

jazz and jug bands While less common in late twentieth century African American jazz and popular music groups the fiddle remained integral to the musicking of some Black musicians in the rural South Featured in *Fiddling Is My Joy* is access to a comprehensive online eScholarship Companion that contains maps photographs audiovisual examples and other materials to expand the work of this enlightening and significant study To understand the immense history of fiddling DjeDje uses geography to weave together a common thread by profiling the lives and contributions of Black fiddlers in various parts of the rural South and Midwest including the mountains and along the Atlantic and Gulf coasts In addition to exploring the extent that musical characteristics and aesthetics identified with African and European cultures were maintained or reinterpreted in Black fiddling she also investigates how the sharing of musical ideas between Black and white fiddlers affected the development of both traditions Most importantly she considers the contradiction in representation Historical evidence suggests that the fiddle may be one of the oldest uninterrupted instrumental traditions in African American culture yet most people in the United States including African Americans do not identify it with Black music **Gramophone** ,2004

Unveiling the Magic of Words: A Overview of "**The Philadelphia Orchestra An Annotated Discography**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
