Introduction Title I Title II Title III Resource List and Appendices      Thomas Chatterton and Neglected Genius, 1760-1830

Daniel Cook,2015-12-11 Long before Wordsworth etherealized him as the marvellous Boy The sleepless Soul that perished in its pride Thomas Chatterton was touted as the second Shakespeare by eighteenth century Shakespeareans ranked among the leading British poets by prominent literary critics and likened to the fashionable modern prose stylists Macpherson Sterne and Smollett His pseudo medieval Rowley poems in particular engendered a renewed fascination with ancient English literature With Chatterton as its case study this book offers new insights into the formation and development of literary

scholarship in the period from the periodical press to the public lecture from the review to the anthology from textual to biographical criticism Cook demonstrates that while major scholars found Chatterton to be a pertinent subject for multiple literary debates in the eighteenth century by the end of the Romantic period he had become and still remains an unsettling model of hubristic genius

Code of Federal Regulations, Title 28, Judicial Administration, Pt. 0-42, Revised As of July 1 2012 ,2012-10-15      *The Lancet* ,1879      The British Chess Magazine ,1895
