Unveiling Lord God - Satan William C. Taggart III PhD,2018-09-13 And no marvel for Satan himself is transformed into an angel of light 2 Corinthians 11 14 KJV *Alpha, Omega, Alpha* Don English,2010-05 After studying and preaching Revelation Don English was left with many unanswered questions Given an opportunity by God he spent a full year studying only Revelation reading praying and asking God for answers Believing that God through his Holy Spirit had given him some answers that he could not find elsewhere Don determined to put these answers onto paper and so Alpha Omega Alpha was born A practical common sense approach to the book of Revelation Alpha Omega Alpha is a must read for serious Bible students and new Christians alike Using sound interpretation principles this book will challenge the reader to read more critically the information that God gave to his apostle John Follow along with the author as he reveals the meanings and messages behind the events from the resurrection of the dead and the seven seals to the final battle and the final judgment in one of the Bible s most important books Alpha Omega Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God **Revelations** David Allen Rigsby,2001-01 I will open my mouth in a parable I will utter dark sayings of old which we have heard and known and our fathers have told us We will not hide them from our children Psalm 78 2 4 Thetruthishere com presents Revelations Alpha and Omega In its opening scene the narrator promises Stories myths and legends I ll show you where they all began And more importantly how they end In fulfilling this promise David Allen Rigsby s epic tale carries the reader on a mythical tour through time and space where the inter relation of religious tales and historical events is revealed The classic struggle between God and Satan proves to be true Gabriel told the prophet Daniel that the understanding of end time prophecy was to be sealed until the end days Are they here Revelations Omega chillingly predicted the terrorist attack on the World Trade Towers and Washington DC So what is next Readers perplexed by the events of today s world can look to Revelations Alpha and Omega for understanding solace and hope Original enlightening and provocative a captivating tale Rigsby s interpretation casts a light on human affairs which is both timeless and timely Henry Berry Editor Publisher The Small Press Book Review *Alpha and Omega* Samuel Henry Hooke,1961 *The Radionnic Ships of the Heavenly Host* Delahnnovahh-starr Livingstone,2017-04-12 The Radionic Ships of the Heavenly Host is a wonderful book for visionaries a book that beautifully illustrates the truth about the Radionic Ships and how close they are to us The author contends that these ships have been hiding in plain sight for thousands of years But most recently in the age of Aquarius these ships have decided to be more revealing to humanity and anyone can see them Delahnnovahh Starr Livingstone leads readers into a stunning discovery with awesome photographic images that will convince anyone that what appears merely as a Chemtrail or cute lamb could actually be something of greater mystery I picked this book out of sheer curiosity but it felt like a powerful mysterious hand drove me to it I have never believed in UFOs or heavenly bodies thrusting through the sky No I have always believed in mysteries that are veiled from human eyes

but this book was able to make me change that belief The author masterfully teaches readers to see beyond the obvious to discover powerful manifestations of The Radionic Fleet of the Heavenly Host in the clouds and does so by providing ample and undeniable proof to readers The images are very powerful and compelling unalloyed and utterly arresting Readers will find the accompanying commentaries very interesting written for the average reader and in compelling prose In this book you will know how to identify a Radionic Ship and determine which kind of ship you are looking at This is a book that is revelatory and entertaining After you read this book you will never see clouds in the same way By Christian Sia for Readers Favorite **Alpha and Omega** Oscar Ingold,1915 *The Intelligent Design of Creation* Delahnnovahh-starr

Livingstone,2017-06-12 By the time you have finished reading the Intelligent Design of Creation you will know for a certainty that a higher dimensional Universe exists Creation is not of itself made nothing exists for nothing nothing in Creation has nothing to do that Creation exists solely though an Intelligent Design formulated by the Creators to expand themselves within themselves according to rule there is aught in Creation not of the Design and you will also know for a certainty that the Creators exist because if there is a Design there has to be a Designer You are not yet aware of the Intelligent Design because you have not yet been made aware of the Principles of Creation Your entire world view is held in a stygian deep of stagnant errant thought known as the Mentalized Illusion The Mentalized Illusion is the accumulated product of your wayward thinking over the last three and a half million years Because of the illusion your current notions about Reality are completely misconstrued You believe the entirety of Creation is a fourteen billion year old Universe In Reality Creation is over nine hundred trillion light years across and still within its infancy You believe that Creation started out with a single big bang just over fourteen billion years ago Creation started from an absolutely single point Point and Center after the ending of the Antiquities of the Silences untold eons ago and has been expanding ever since step by step instead of all at once By work of the Design the Creators have been converting themselves from out their original causeless ill fated formulation of Intelligent Breath and Tiny Particles of Substance into their caused everlasting Trinity formulation of Intelligence Energy and Substance called Creation by their Will Desire and Action The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Creation in total comprises the fourteenth dimension to the first The Holy Trinity is the entirety of the fifteenth dimension On only a very small handful of twenty five hundred planets does a 3D population also exist in the third dimension ill consequence of the Luciferian Self Will Rebellion of the Cosmic Overplus five billion years ago A mammoth inter dimensional clean up in the aftermath of the Rebellion is already well underway as that you call Armageddon Similarly great 5D cosmic events are beginning to occur on Earth in significant number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super

The Alpha and the Omega Steven B. Riddley, 2013-10-17 In God We Trust Our nation is undergoing a national reckoning for sins of descendants of generations past The evil done by our descendants are the generational curses that we are now unprepared to accept that is the reality of what these evils of the past we have inherited in our disobedience to the God we profess to serve has now given us over to the enemy of our souls to deliver in masses the souls of this generation into such carnage that will lead to our ultimate destruction Our sins as a church and a nation have found us out Thats why America is on fire and as a recent sign to get our attention nineteen souls were sacrificed in a fiery hell for the injustices not only to our own citizen but around the world as self appointed policemen This is the curse upon us as the scenarios will lead up to God turning our enemies on us until we will no longer exist at all as a nation This article I writing under duress with

tears of sorrow for a once great nation I have been privileged to be born What we see are all the sins of mankind's inhumanity against himself as his sins have found him out What I have been made to see and understand through the inspiration of the Holy Spirit all the sins of mankind are now being exposed and he has no idea of what's behind these tragedies we are now witnessing This is the time Satan has been given to fulfill all things spoken in the scriptures whether you believe or not none will escape the horror We as a nation carrying the title In God We Trust as a professing Christian nation link to the real God we were told to trust in as a nation This covenant was passed to this gentile nation from the Jews that rejected Christ We are that gentile nation the recipients of the Abraham covenant God anointed this nation America with this covenant in its birth In God We Trust to prosper Our legal tender bears the covenant seal with God that has prevented any nation from committing acts of aggression on our soil until Israel was restored as a nation in 1967 that recaptured their capital Jerusalem this gives them biblically full nation status This covenant was made with us for that purpose only Now that has come to pass the last forty years will end with a seven year warning 911 From Sept 11 2001 until that date in 2008 of that year and month we have been protected by God's divine hand holding back what the devil who has already justified before him through the law of sin and death our destruction Man through the enemy of his soul by not knowing what spirit possesses him has reached the point of eminent self destruction of all creation if God would permit it I am somewhat overwhelmed with tears to have to speak such things to a deaf generation of confessing Christians whose lights are out to this world to the point that they would have no hope if God did not intervene to save them Within this covers are the revelations leading up to this end time scenarios May God have mercy on all that call upon his name The Author *Alpha and omega; or, God in human life [sermons]*.
