An Oblivion's Indigo Aetre,2007-03-01 Two colonies set out from Earth One would travel the solar system and return in fifty years The other by design would never come back The crew of the returning ship however finds that during its absence it missed a rather crucial planetary event the Apocalypse Soon the last remaining humans those in the second wandering colony are about to be thrust into a final battle for souls between the forces of good and evil Evil is much better prepared for

the fight though The futures of both mankind and the afterlife depend upon the actions of all the humans caught in the struggles Even though the forces they are up against are no less powerful than deity humans with enough willpower can sometimes do amazing things **Oblivion's Blade** Dylan McFadyen,2023-04-21 Shaara never asked to be in charge Since taking command of the mysterious AI warship Warden and the eccentric mercenary company that calls him home she s only accepted jobs that let her conscience sleep at night The trouble is those jobs don t pay too well After more than a year of fighting for the downtrodden the exploited and the oppressed the Wardens coffers are running dry So when they get a suspicious but lucrative offer from a pariah republic on the fringe of galactic politics Shaara ignores the warning voice in her head and accepts Of course the voice is right it usually is The contract takes the Wardens to the edges of explored space there in the vast darkness beyond the galactic core a great and terrible force is gathering a foe far deadlier than they ve ever fought The galaxy s not ready to face it Has Shaara saved them all from Gaeus Nemesis just to die another day What s more this new enemy holds the key to another mystery As they fight for their lives Shaara and Corax are forced to ask themselves a question they hoped they d never have to How much do they really know about Warden And can they trust him

Twenty-First-Century Children's Gothic Chloe Germaine Buckley,2018-01-09 Brings Ben Jonson to the twenty first century by reading Volpone through psychoanalysis poststructuralism and Marxism **Oblivion's Triumph** Dylan McFadyen,2023-08-24 Shaara is running out of friends The sacrifices she and Warden made two years ago bought the League time not victory The war against the Undying has left them exhausted drained of everything but hope and precious little of that The simple fact is that the Undying are going to win Warden knows it Shaara knows it The Undying sure as hell know it Until out of the black the Eternal comes to Shaara with an offer she can t refuse however much she d like to The threat he warned her about two years ago is real and now it s come calling It cares nothing for their little war All life in the galaxy Undying or not will end if it spreads unchecked Shaara and the Eternal have little choice but to work together to destroy it At least for now But people on both sides aren t happy with an alliance however temporary Some of them are willing to risk all that lives just for a shot at power and revenge If Shaara can t find a way to defeat them she and the few friends she has left will lose more than their lives They ll lose everything *The Cosmic E.G.G.G.* Richard Bruce Wallace,2023-02-16 Many are the mysteries concerning the universe and the life that is found within it This is also true regarding the theories laws that govern it In this book we examine the most popular ones past and present in search of the common constant that binds life laws and the universe It exposes the views of the early hominids of Africa and those of the ancient Egyptians It includes the Assyrians Babylonians Chaldean and ancient Sumerians of Asia up to the Europeans and modern day Americans By combining the knowledge of all of these cultures and that of mankind worldwide a stunning conclusion is reached The concept of Unification is confirmed and it is realized in The Order of Existence **True Citizens** Philip Daileader,2021-10-01 This first book length English language study of medieval urban citizenship focuses on

Perpignan a town second in population only to Barcelona in fourteenth century Catalonia yet neglected by modern historians True Citizens describes and analyzes the rules that governed membership in the community of citizens the definition of citizenship and how the development of divergent memories within the community resulted in a crisis of citizenship This study uses urban citizenship to shed new light on many important historiographical issues such as Jewish Christian relations the place of towns in feudal society the place of Catalonia in the urban history of medieval Europe and the transition from the High to the Late Middle Ages *Power of Five Oblivion Sig Air* Horowitz a,2012-10-01 Oblivion's Children Jim Wegryn,Roland James,2001 Robots are merely machines until they escape the bounds of programming and reveal that spark called free will Yet that gift of consciousness may be only an illusion a facade of elaborate imitation Not even Turing s test can prove otherwise But there is a way they can show their soul If they were asked to help save humankind could they If so would they Star Trek: Coda: Book 3: Oblivion's Gate David Mack,2021-11-30 Sequel to The ashes of tomorrow by James Swallow *Merciless (Dominion Trilogy Book #3)* Robin Parrish,2009-05-01 Evil has infiltrated our world His name is Oblivion and his touch is death He devastates the planet turning it into a twisted barren world A dark world And Grant Borrows the one man powerful enough to oppose him is dead As Grant s remaining friends learn the ultimate truth behind the events that shaped their lives they secretly gather for one last battle This showdown between good and evil will prove to every soul on earth that in the bitterest twilight all is not lost The world must never forget that even when life is merciless it is not hopeless
