Sharp Sales Guide:

User's Guide to MOBILE5 ,1994 *A Fool's Guide to Wisdom* , **The Rude Guide to Being a Better Writer** David J Hayles,2025-08-28 The Rude Guide to Being a Better Writer aims to help anyone who wants to improve their writing It explains and demonstrates how plain English helps writers to write clearly and concisely which in turn helps their readers to easily understand what they have written The book supports the path to becoming a better writer with step by step guidance storytelling and comprehensive and relatable examples At the same time it is shot through with entertaining facts and adult humour In the same way that David Mitchell s Unruly is a funny book about a serious subject this book will appeal to people who want to improve their writing but without the process being too academic It leads its readers by the hand delivering clear guidance in an entertaining way This makes the transition to being a better writer easy and enjoyable a guide to better writing that is refreshingly down to earth and relatable and really quite rude too A Fool's Guide to Wisdom Richard G. Myatt,2011-02 Paradox is present when the opposite of what one expects to be true is true The capacity to see paradox is the prerequisite to becoming wise It is expressed when the weak become strong those who lose their life find it and the disheartened find the Lord who uses those things that are not to nullify the things that are 1 Corinthians 1 28 NIV This work demonstrates paradox in health medicine business organizational leadership cultural myths related to the family the symptomatic solutions common in political and social structures and in the spirituality expressed by people of faith As the former director of an adolescent rehabilitation facility the author has a keen awareness of the devastation caused by the failures of this generation Clear and concise recommendations demonstrate the small changes that create enormous differences We will discover that wisdom begins when we fear the Lord and have knowledge of the Holy One The wise see paradox but not because they look for it Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all Those with the God given capacity to integrate knowledge emotion and faith will in the end find wisdom Rick Myatt is a licensed psychotherapist with an extensive history From building an orphanage in a war torn country to becoming the director of an adolescent psychiatric rehabilitation facility his experience includes crisis intervention treating sexual addictions and caring for children victimized by the murder of parents and child prostitution With Masters Degrees in Marriage and Family Therapy and in Theology he has also completed all Ph D coursework in Family Sociology He currently specializes in organizing his community to detect and prevent workplace violence *Catalog of Copyright Entries.
