

MFC-J5740DW Professional A3 inkjet wireless all-in-one printer

Fast automatic 2-sided A4 print, with the added benefit of 2x 250 A3 paper trays, 100 sheet A3 MP tray, a large 8.8cm colour touchscreen and 2-sided A4 scan option. Meeting the needs of demanding small offices and business workgroups.

Built to last

You need a device you can rely on. These A3 professional multifunction devices have been engineered into robust business devices, delivering fast, secure and professional quality to suit the growing needs of your business.

More capacity, more paper control

The MFC-J5740DW comes with an extra paper tray – this means the need to frequently replace paper in the device is reduced, when printing in high volume. With this, comes more control over how you use your time to be as productive as possible.

Work connected, always

You don't just need to be sat at your desk, or even near the printer to use the MFC-J5740DW. With the range of connectivity options available, you can print anywhere in your office / home – and even from your mobile phone through wireless connectivity.

By downloading the Brother Mobile Connect app you can access an array of features – from sending print jobs, to checking your ink levels and ordering replenishments when necessary

Increase your print speed, with the new Brother MAXIDRIVE print technology

The newly developed high power print head enables a dramatic improvement in print speed, saving you time when printing your business documents. Not only is speed improved, but this new print head is highly durable and produces extremely high print quality, delivering professional results to your outputs.

Print bigger

Make your documents more memorable by printing them in A3 Size. With full colour A3 print capabilities, your important training materials or presentation documents will stand out and may be easier to digest helping you obtain more interest from the reader. By printing A3 documents in house you have more control over your deadlines and can expand your opportunities.

Scanning technology to improve work flow, even when working remotely

As a multifunction device the MFC-J5740DW can do so much more than print. The scanning opportunities available for example can significantly enhance your productivity from home. You can scan in colour or mono at high speeds to several destinations to boost workflow:
