Blessing the World Derek A. Rivard, 2009. Blessings were an integral and vital element of medieval Christian life and worship. Benedictions for homes and workplaces, the knight and the pilgrim, the city under siege, and the fetus in the womb are but a small sample of the multitudinous and fascinating extra-sacramental blessings that fill the leaves of the liturgical books of the medieval Latin Church. While commonly acknowledged as a crucial element in the life of medieval people, the meaning and importance of these blessings for their authors and audiences have been frequently overlooked by liturgical and historical scholarship, which has focused instead on the textual transmission and long-term changes in the blessings and the rituals surrounding them. This present work corrects this omission by examining these blessings with modern eyes and a new methodology. In *Blessing the World*, Derek A. Rivard studies liturgical blessing and its role in the religious life of Christians during the central and later Middle Ages, with a particular focus on the blessings of the Franco-Roman liturgical tradition from the tenth to the late thirteenth centuries. Through a careful and extensive study of more than ninety such blessings, many of them translated for the first time and accessible to a readership beyond specialists in medieval liturgy, the author argues that medieval blessings were composed as a direct response to the needs, anxieties, beliefs, and fears of the laity, and therefore these texts represent a rich and largely untapped source for the study of lay piety and of ritual in medieval Europe. Effectively drawing upon anthropology, ritual studies, the phenomenology of religion, and traditional textual study, Rivard explores the rich themes of medieval piety that flow throughout the blessings in order to produce a new understanding of the blessing as an attempt to tap the power of the sacred for use in daily life. Benedictions for spaces, places, persons, items, and events are each studied in turn to produce this new understanding of these blessings and

in the process these petitions and rituals reveal much about larger issues of medieval people's cosmology their perceived role in their cosmos their conceptions of God and their connections to the divine and to the spiritual powers of God's creation

ABOUT THE AUTHOR Derek A Rivard is associate professor of history at Cottey College **PRAISE FOR THE BOOK** *Blessing the World* analyzes the texts of dozens of these blessings in order to explore how medieval Christians conceived of God and their own place within sacred history This textual focus is the book's strength and the author provides English translations of blessings from the tenth to the sixteenth centuries including the original Latin in footnotes thereby making available to readers a rich source of these materials Kathleen Kamerick *The Medieval Review* Rivard's study of medieval blessing rituals sheds helpful light on the ways that medieval churchmen and their flocks viewed their relationship to God to nature and to their society James A Brundage *Church History* *The Lord Bless You (Touchstone Texts)* Stephen B. Chapman, 2025-08-26

The Power to Curse or Bless Others William Derrick Moore, 2007-02-26 The Power to Curse or Bless Others is the second book in a continuing series on Christian conduct by William Derrick Moore This book provides insight into the very nature of evil demonic beings and our own contributions to what we have come to know as evil It also takes a look at a realm of evil that many Christians fail to see or acknowledge Once an understanding is reached on all the sources that can influence what we perceive as demonic activity or evil we have an opportunity to change our role in the process of being a curse or a blessing to others An important variable in understanding the problem of evil is the rejection of one of God's greatest commandments love In rejecting this commandment it changes the potential and capacity to extraordinarily bless someone into the potential and capacity to extraordinarily curse someone A central theme in this book is God's gift of free will and volition to his creations both human and angelic God has given us all the power to bless or curse others Misusing this gift and power from God constitutes evil The Power to Curse or Bless Others takes a deeper look into the major causes of evil and it also provides insight and understanding of God's true role in allowing evil to continue in the world
