The Raven Holt Test Answers:

Felix Holt, the True Story P L Quinn, 2017-06-28 *Felix Holt the True Story* is a critical examination of *Felix Holt the Radical* 1866 by George Eliot. Since the novel's publication it has automatically been assumed that the fictional East Midlands market town of Treby Magna where the novel is set must be based upon the Nuneaton of George Eliot's childhood. However, this assumption has made the novel largely unreadable. Whilst Eliot's childhood and her earlier novels are informative towards the construction of *Felix Holt the Radical*, this study proposes that the Treby community is based upon the East Midlands market town of Leicester by far the oldest East Midlands community. It is also proposed that Eliot wanted to write a novel with a similar impact to *Cranford* by Elizabeth Gaskell 1851-1853 in which the community finally pulls together. Hence it is determined that Eliot wrote *Felix Holt the Radical* as a means of unifying the varying rifts of Christian eclecticism into her mode of Humanism.
