FOREWORD

"There is something almost sacramental about the life of the rural family" said the venerable missionary Bishop Wehrle, O.S.B., of Bismarck, North Dakota, in addressing the little group of priests and laymen and laywomen who assembled in St. Louis, Missouri, in 1923 to establish the National Catholic Rural Life Conference. The call to that Conference was issued appropriately in a publication entitled "St. Isidore's Plow." The occasion was the opening of the first furrow in the American Catholic Rural Life movement.

The intervening years have been a long springtime of planting and cultivating through labor and prayer. Manuals for the development of the material and social aspects of the movement have been wisely provided. It is fitting that a manual expressive of the religious foundation and spiritual aspirations of the movement should be made available in this Rural Life Prayerbook.

It appropriately begins with devotions at the Holy Sacrifice of the Mass which is the center of Catholic worship. Here will be found prayers suitable for various times and seasons and feasts dear to the farmer and his family. It also includes significant farm blessings from the Roman Ritual and Novena prayers to St. Isidore, the patron of farmers.

May the devotion to St. Isidore and his spirit of faith unite the Catholic farm families of our country in a spiritual and social movement which will enrich the Church in America with a fruitful rural apostolate.

The Rural Life Prayerbook Fr Alban Dachauer S J, 2014-12-30 A generation ago the National Catholic Rural Life Conference published The Rural Life Prayerbook 1956 to provide spiritual support to those who live close to the land TAN Books now offers this new edition not just for rural farmers and ranchers but also for those in cities and suburbs tending to gardens greenhouses and animals *The Rural Life Prayerbook* Alban J. Dachauer, National Catholic Rural Life Conference (U.S.), 1956 *The Church and the Land* David S Bovée, 2010 A history of the American Catholic Church's policy toward rural issues in the past century **The Rural Life of England** William Howitt, 1844 Parish Lectures on the Prayer-book William Andrew Snively, 1888 **Hearth and Field: A Heathen Prayer Book** Hester Butler-Ehle, 2012-05-09 This book is for those who follow Freyja and Frey Frigga and Odin Thor and Sif and all the gods of shining Asgard it includes prayers to many of the gods and several rituals Social Justice Review, 1957 *The Living Church*, 1942 **Cultivating Soil and Soul** Michael J Woods, 2010-01-01 Even before Vatican Council II individuals like Virgil Michel and Catholic social movements like the National Catholic Rural Life Conference attempted to promote greater social justice by reconnecting rural life in the United States with the liturgical life of the church Efforts to remedy this dislocation between agrarian life and church liturgy meshed the liturgical year with the rural agricultural cycle The introduction of devotions sacramentals ritual music dance poetry and dramatic performances helped farmers rediscover the sacramental character of the soil and all the elements of agrarian life that emerge from it Those interested in issues of social justice sacramental engagement and even the development of the vernacular in the liturgy will explore these and other topics in this unique archival investigation

On Earth as It Is in Heaven David Vincent Meconi S.J., 2016 With the recent publication of Pope Francis's encyclical *Laudato Si* many people of faith have found themselves challenged to seek new ways of responding to serious ecological questions essential to the flourishing of all creatures *On Earth as It Is in Heaven* brings together fifteen top scholars to consider pressing contemporary environmental concerns through the lens of Catholic theology Drawing from ancient Christian sources the contributors delve into such diverse topics as equitable food distribution responsible procreation land stewardship evolutionary theodicy and poverty and providence A concluding essay addresses the liturgy as the space in which all creation is consecrated before the cross of Christ Allowing the earliest Church Fathers and voices from the Christian tradition to speak to our unique circumstances today this engaging volume shows that ancient creedal Christianity contains important insights into caring for God's creation **Debating God's Economy** Craig R. Prentiss, 2010-11 What would a divinely ordained social order look like Pre labor unions class consciousness and economic power were the watchwords of the day This was a time of immense social change and especially in the light of the monumental social and economic upheavals in Russia and Europe in the early twentieth century Catholics found themselves taking sides Catholic subcultures across America sought to legitimize or in theological parlance sanctify diverse economic systems that were at

times mutually exclusive While until now the faithful both scholars and nonscholars have typically spoken of the Catholic Social Tradition as if it were an established prescription for curing social ills Prentiss maintains that the tradition is better understood as a debate grounded in a common mythology that provides Catholics with a distinctive vocabulary and touchstone of authority
