There are three primary responsibilities relating to planning, control, and other management activities. These include the overall planning, the control, and the management of the organization. The overall planning is the responsibility of the top management, the control is the responsibility of the middle management, and the management is the responsibility of the lower management.

John Bunyan

The Pilgrim's Progress Illustrated:

The Pilgrim's Progress Illustrated John Bunyan, 2021-05-03 The Pilgrim's Progress from This World to That Which Is to Come is a 1678 Christian allegory written by John Bunyan. It is regarded as one of the most significant works of religious theological fiction in English literature. It has been translated into more than 200 languages and has never been out of print. It has also been cited as the first novel written in English. The Pilgrim's Progress ... Illustrated with Copious Notes, by W. Mason. To which is Prefixed, the Life of the Author John Bunyan, 1817 **The Pilgrim's Progress** John Bunyan, 2019-11-27 The Pilgrim's Progress is a famous story of man's progress through life in search of salvation and remains one of the most entertaining allegories of faith ever written. Set against realistic backdrops of town and country, the powerful drama of the pilgrim's trials and temptations follows him in his harrowing journey to the Celestial City. An enormously influential 17th century classic, universally known for its simplicity, vigor, and beauty of language, Pilgrim's Progress is read with the greatest pleasure. George Whitefield 1714-1770: "I find this book so full of matter that I can seldom go through more than a page or half a page at a time." John Newton 1725-1807: "Next to the Bible, the book that I value most is Pilgrim's Progress. I believe I have read it through at least a hundred times. Prick him anywhere and you will find that his blood is the very essence of the Bible; it flows from him." Charles H. Spurgeon 1834-1892: "That tenderest and most theological of books is pulsating with life in every word." J. Gresham Machen 1881-1937: "Often disguised as something that would help him, evil accompanies Christian on his journey to the Celestial City. As you walk with him, you'll begin to identify today's many religious pitfalls. These are presented by men such as Pliable who turns back at the Slough of Despond and Ignorance who believes he's a true follower of Christ when he's really only trusting in himself. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us and unfortunately what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails to the end. So can you."
