Walking on Water Robert P. Vande Kappelle, 2020-02-03 How did Jesus do it we wonder How did he walk on water To which we can imagine Jesus responding O ye of literal faith Walk with me on the waters of life explore with me the depths of reality Walking on water is not as one might think about staying on the surface of things but rather about going deep into the ordinary aspects of our lives and finding gold It is not about exotic miracles or blind faith but about living into a new way of thinking Most of us experience a continual flow of ideas images and feelings clinging to these as if they were us They are us but not our True Self They represent the atomized self our small imperial ego While this egocentric False Self is necessary its role is temporary a warm up rather than the adventure itself To ascertain our True Self we must lose the false images that no longer serve us images of God that are insufficient and images of ourselves that are similarly inadequate Bringing to life tales about labyrinths and quests for the Grail Walking on Water encourages us to go with Jesus into death and resurrection encountering the universal Christ there the True Self that gives all humans final meaning and definition Such living saves us from our smaller and untrue selves transforms our consciousness and transports us from limited first half of life living and thinking into second half of life possibilities The dynamic approach to spirituality described in this book a transformational journey nourished by myth metaphor and mystery will promote the wisdom compassion maturity and connectedness we all need and desire **Parent Connection, Grades Preschool-1** Standard Publishing, Karin Klein, 1996-05 Reproducible send home newsletters for parents of young children *Lectionary Preaching Workbook, Series VI, Cycle a* E. is one of America's premiere preachers. His introduction details the personal tragedy he has suffered. But through it all, Dr. McGriff was able to expand his congregation from 900 members to 4,400 members. Sunday attendance increased from 300 to over 1,850. As a teenager, Carver McGriff was wounded and captured by a German SS parachute battalion during World War II. He received a Bronze Star and two Purple Hearts and returned home to earn a degree in business administration from Butler University. Following a career as a salesman and business owner, McGriff entered Garrett Theological Seminary where he was voted Best Preacher by the faculty and graduated with distinction. He was then appointed by the Bishop of Indiana to start a new congregation on the northeast side of Indianapolis. During his ministry at St. Luke's, McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus of the year by Christian Theological Seminary. McGriff was also honored with the Sagamore of the Wabash by Indiana Governor Evan Bayh. His sermons have been distributed nationwide by the Methodist Publishing Company.

Knowing God as an Evangelical Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology, there are several authoritative approaches. Yet the evangelical emphasis on *sola scriptura* demands that theological epistemology be subjected to the biblical canon. In this book, Dan Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism. Specifically, he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance. Petre then uses a canonical epistemological methodology to outline a biblically based framework. In exploring how the Scripture conceptualizes the formation of theological knowledge, the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies. The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon. Using this vantage point, the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement. Reynolds,2008 The title Son of Man in the Gospel of John is an apocalyptic reference that highlights among a number of things that Jesus is a heavenly figure Benjamin E Reynolds analyzes the background of Son of Man from the one like a son of man in Daniel 7 and the interpretations of this figure in Jewish apocalyptic and early Christian literature Although there is no established Son of Man concept the Danielic son of man is interpreted with common characteristics that suggest there was at least some general understanding of this figure in the Second Temple period The author shows that these common characteristics are noticeable throughout the Son of Man sayings in John s Gospel The context and the interpretation of these sayings point to an understanding of the Johannine Son of Man similar to those in the interpretations of the Danielic figure However even though these similarities exist the Johannine figure is distinct from the previous interpretations just as they are distinct from one another One obvious difference is the present reality of the Son of Man s role in judgment and salvation The Johannine Son of Man is an apocalyptic figure and thus Son of Man does not function to draw attention to Jesus humanity in the Gospel of John Nor is the title synonymous with Son of God Son of Man may overlap in meaning with other titles particularly Son of God and Messiah but Son of Man points to aspects of Jesus identity that are not indicated by any other title Along with the other titles it helps to present a richer Christological portrait of the Johannine Jesus Sharing the Easter Faith with Children Carolyn C.
