**Cincinnati Magazine** ,1979-03 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Selected Speeches and News Releases* United States. Department of Agriculture. Office of Public Affairs (1989- ),1990 **Information Bulletin** ,1955 Women Politicking Politely Kimberly Wilmot Voss,2017-04-05 This book includes the relatively unknown stories of six important women who laid the foundation for improving women s equality in the U S While they largely worked behind the scenes they made a significant impact In the group are two female political operatives who worked behind the scenes along with four female journalists who also occasionally worked within government to advance women s rights during the 1950s through the 1970s Much of it centers on Washington D C as well as the more unlikely cities of Madison Wisconsin and Miami Florida It includes the story of a women s page journalist who published an official government report in her newspaper section when the White House refused to release it This book documents the stories of women who organized to help gain employment for other women and also worked to raise the stature of homemakers Numerous other issues for women were also addressed The fight for equality became more visible in the 1960s although the foundation had been laid as early as the 1950s fueled by the post World War II era Change was initiated by a mix of women in government and women in the news media at times going back and forth in those positions These particular women were chosen because of their interactions with each other as they rallied around a common cause and because their names were overshadowed by other women s liberation leaders It is not meant to be an exhaustive story of the fight for women s rights but rather an addition to the great memoirs and scholarship that already exist **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office,1949 **The Quill** ,1982 Uranium Chetan Bisariya,1982 The Journalist ,1892 **The Oxford Companion to American Food and Drink** Andrew F. Shields, 2017-10-26 Typed manuscript copy **Staff Information Bulletin** Library of Congress, 1955 **Indigenous People, Crime and Punishment** Thalia Anthony, 2013-07-24 *Indigenous People Crime and Punishment* examines criminal sentencing courts changing characterisations of Indigenous peoples identity culture and postcolonial status Focusing largely on Australian Indigenous peoples but drawing also on the Canadian experiences Thalia Anthony critically analyses how the judiciary have interpreted Indigenous difference Through an analysis of Indigenous sentencing remarks over a fifty year period in a number of jurisdictions the book demonstrates how judicial discretion is moulded to dominant white assumptions about Indigeneity More specifically *Indigenous People Crime and Punishment* shows how the increasing demonisation of Indigenous criminality and culture in sentencing has turned earlier gains in the legal recognition of Indigenous peoples on their head The recognition of Indigenous difference is thereby revealed as a pliable concept that is just as likely to remove

concessions as it is to grant them Indigenous People Crime and Punishment suggests that Indigenous justice requires a two way recognition process where Indigenous people and legal systems are afforded greater control in sentencing dispute resolution and Indigenous healing      Information Bulletin - Library of Congress Library of Congress, 1955
