**Yi-Tong Ma**

## **Prentice Hall Historical Map Outlines:**

*Handbook of the Linguistic Atlas of the Middle and South Atlantic States* William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches **Agricultural Library Notes** United States.

Department of Agriculture. Library, 1941 Pageant World History Gerald Leinwand, 1990 Dear students I want to share a dream with you I dreamed that a young person of 14 whom I was going to be teaching would become president of the United States during the first half of the twenty first century As a teacher I was struck by this immense responsibility What should I teach my student about the world as preparation for this awesome task How could my world history class help this person to mature into an intelligent and humane president and leader of the free world **Agricultural Library Notes** , 1941 **An**

**Annotated Reading List of United States Marine Corps History** Harold A. Bivins, 1971 **Curriculum stili Latini: or A systematic course of examples for practice in the style of ... Latin prose authors** Benjamin Hall Kennedy, 1858

*An Annotated Bibliography of the United States Marine Corps in the Second World War* , 1965 Book Catalogues , 1870 The Making of the Mosaic Ninette Kelley, Michael J. Trebilcock, 2010-01-01 A coherent and lively tale that traces in considerable detail the evolution of Canadian immigration policy Christopher G Anderson Journal of Canadian Studies A

thorough account of Canada's immigration policies Any reader interested in immigration to Canada now has a one stop source for its history Douglas Fisher Ottawa Sun A closely textured well conceived narrative an ambitious work that is tremendously reader friendly Barbara Lorenzkowski Social History Masterful and meticulously documented J D Blackwell Choice A rich resource for scholars of Canadian immigration John Harles Canadian Journal of Political Science *The Athenaeum*, 1891

**Envisioning Landscapes, Making Worlds** Stephen Daniels, Dydia DeLyser, J. Nicholas Entrikin, Doug Richardson, 2012-03-15 There has been a remarkable resurgence in the past decade of intellectual interplay between geography and the humanities in both academic and public circles Terminology and concepts such as space place landscape mapping and geography are becoming pervasive as conceptual frameworks and core metaphors in recent publications by humanities scholars and well known writers Envisioning Landscapes Making Worlds examines the depth and complexity of human meaning invested in maps attached to landscapes and embedded in the spaces and places of modern life The clashing and blending of cultures caused by globalization and the new technologies that profoundly alter human environmental experience suggest new geographical narratives and representations that are explored here by a multidisciplinary group of authors With contributions from leading scholars this text is essential reading for scholars and students seeking to understand the new synergies and interconnectedness of geography and the humanities

Reference and Information Services Kay Ann Cassell, Uma Hiremath, 2019-01-04 Designed to complement every introductory library reference course this is the perfect text for students and librarians looking to expand their personal reference knowledge teaching failsafe methods for identifying important materials by matching specific types of questions to the best available sources regardless of format Guided by a national advisory board of educators and practitioners this thoroughly updated text expertly keeps up with new technologies and practices while remaining grounded in the basics of reference work Chapters on fundamental concepts major reference sources and special topics provide a solid foundation the text also offers fresh insight on core issues including ethics readers advisory information literacy and other key aspects of reference librarianship selecting and evaluating reference materials with strategies for keeping up to date assessing and improving reference services guidance on conducting reference interviews with a range of different library users including children and young adults a new discussion of reference as programming important special reference topics such as Google search 24/7 reference and virtual reference and delivering reference services across multiple platforms As librarians experience a changing climate for all information services professionals in this book Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in today's libraries

Annual Report of the American Historical Association American Historical Association, 1972

**Marine Corps Historical Bibliographies**, 1965 **Educational Times**, 1889 *CURRENT NOTES: A SERIES OF ARTICLES ON ANTIQUITIES, BIOGRAPHY, HERALRY, HISTORY, LANGUAGES, LITERATURE, NATURAL HISTORY, CURIOUS CUSTOMS, ETC.* G. WILLIS, 1854 George C. Marshall: Education of a General, 1880-1939

Forrest C. Pogue, 2020-05-10 Born in Uniontown Pennsylvania George Catlett Marshall 1880 1959 attended the Virginia Military Institute and was named VMI's First Captain in his senior year because of his character and sense of duty more than scholastic achievement In 1902 while a second lieutenant Marshall married Elizabeth Carter Coles During World War I Marshall demonstrated his superior skill for organization and leadership on the staff of General John J Pershing commander of the American Expeditionary Force in France Between World Wars I and II Marshall served as Pershing's aide in Washington DC with troops in China as an instructor at Fort Benning Georgia and at other posts throughout the United States Marshall married Katherine Boyce Tupper Brown in 1930 after the death of his first wife in 1927 He commanded the Vancouver Barracks in Vancouver Washington between 1936 and 1938 and was appointed Army Chief of Staff by President Franklin D Roosevelt on September 1 1939 Pogue and Harrison show admirably how Marshall's early life prepared him for his later responsibilities his beginning as a second lieutenant in the Philippines his service on Pershing's staff in the First World War three years in China in the Twenties his exceptionally influential term at the Infantry Training School at Fort Benning a period organizing CCC camps a time in exile when MacArthur sent him to the Illinois National Guard thereby as Marshall thought ending his career until Pershing's insistent pressure brought him back to Washington and Harry Hopkins impressed by his cool efficiency urged him on Roosevelt Education of a General is carefully researched well composed and judiciously written The portrait of Marshall is sympathetic but by no means worshipful Arthur Schlesinger Jr New York Review of Books A highly readable and thoroughly satisfactory biography that provides as full and definitive an account of the general's career to 1939 as is likely to appear for a long time The portrait that emerges from these pages is clearly that of an outstanding officer in both staff and command with wide experience in a variety of posts and a record for performing the tasks assigned to him superlatively well an outstanding work of scholarship and a definitive record of George Marshall's early years Louis Morton The Journal of Modern History This book will be interesting to the professional historian for its insights into the early career of a great soldier for much new material on the development of the military profession in the first half of the twentieth century and also for its methodology No effort was spared to make the work truly definitive a well written volume that is and will likely remain the best thing on Marshall's formative years Harry L Coles The Journal of American History Simplicity of tactics training for the unexpected regarding as more important knowing when to make a decision than what the decision should be these and the ability to command by obtaining assent rather than by exacting formal obedience were qualities characteristic of Marshall's own disposition And they were tied up with the conviction that American Army officers must know how to command a citizen army the present volume can help to explain why Marshall was a great war leader Kent Roberts Greenfield Political Science Quarterly The volume traces in a superb and detailed manner the progress of the General from childhood to the time he assumed the duties as Chief of Staff U S Army in 1939 This book is a most scholarly account of the trials and tribulations of an exceptional Army officer during the period prior to 1939 and clearly

demonstrates how the right man got to the right place at the right time Naval War College Review A provocative history of the Army during the years of Marshall s rise Because this is a book rich in research and information it raises questions as well as answers them It promises to be one of the few indispensable works on the modern American Army Russell F Weigley The Annals of the American Academy of Political and Social Science Pogue presents logically the development of a junior officer The annotations are bountiful and explicit the bibliography of great value to historians the persuasive rebuttal of widely circulated views of a decade ago most welcome This well organized and solidly written volume is good in itself and a welcome herald of the post 1939 volumes dealing with periods of great personal national and international controversy Mark S Watson The American Historical Review A work very much worth attention Mr Pogue s book is a fascinating story it gives a detailed account of the way in which this rather cold and self contained person became a gifted leader and master of men Bruce Catton American Heritage This is a vastly thorough piece of research a careful picture of the life and problems of an able American regular officer in the first third of the twentieth century C P Stacey International Journal A book which resembles its subject in simplicity directness and thoroughness This is an excellent example of military historical writing and an important contribution to the history of our times H A De Weerd The Virginia Quarterly Review Library Notes Melvil Dewey,1886 **Concise Historical Atlas of Canada** Geoffrey J. Matthews, Conrad Heidenreich, Byron Moldofsky, Thomas F. McIlwraith, John Warkentin, 1998-01-01 A distillation of sixty seven of the best and most important plates from the original three volumes of the bestselling of the Historical Atlas of Canada Writings on American History ,1972
