Walk With the Word Psalm 119 Study Guide - Leader's Edition D. E. Isom, 2017-08-10 Even within most books dedicated to the subject of hermeneutics and associated overall approaches Psalm 119 as the definitive word on the Word found within the Word is largely ignored This is not to say that any or all of those approaches are wrong but rather to suggest that they may not be the best starting point Psalm 119 is not a whole contained system in and of itself when it comes to God's Word but it is unquestionably the foundational starting point There is a reason it should grab our attention as the largest chapter in the whole Bible everything else proceeds from here What follows is a complete inductive study on the whole of Psalm 119 which can be undertaken either personally or suitable for leading a small group or Sunday School class This leader's edition presents the whole of Psalm 119 in eight contiguous lessons with accompanying handouts and study aids for participants in a seminar small group or Sunday School class setting These studies are not intended to simply convey information as a result of the author's research or presentation but for participants to actively seek and realize for themselves that which needs to be put into practice from God's Word This is why the overall format of each lesson comes in the form of questions which prod exploration and examination of the text When employed in a teaching environment the leader acts more as a facilitator by asking the questions and guiding the discussion so as to involve the participants in an exercise wherein they are being discipled to properly handle Scripture in parallel with self examination The psalmist is actually providing twenty two teachings set in real life as examples of the working of Scripture or at least how it should be allowed to work on a very practical level The examples and accompanying discussion are never theoretical clinical nor in any way some kind of distant academic conjecture The purpose behind the whole collective Word of God is not solely limited to just information instruction nor even inspiration but has as its ideal goal incarnation that is taking the Word of God to the level of the heart so as to result not only in changed living but changed relationships It is to become an actual part of us Also available is The Walk with the Word Psalm 119 Study Guide Workbook in which participants can keep notes in parallel to each study and a Personal Edition for those not needing to lead a group and seeking only self study *Walk With the Word Psalm 119* D.
