A new light Rav Shalom Arush, In our generation we are faced with overwhelming challenges We want to serve God we want to be pure and holy we want to be dedicated spouses and parents but we live in a culture so flooded with non Torah values and so saturated with technology and social media that our ideals seem almost impossible to reach We ask ourselves how can we ever hope to succeed However before Hashem sent these challenges He sent the solution All you have to do is to reveal your inner will and activate it **The Wonders of Gratitude** Rav Shalom Arush, *Thank You* is not merely a phrase *Thank You* is emuna And not just any emuna but knowing all the principles of emuna *Thank You* is the deepest form of truth *Thank You* is humility and submission *Thank You* is the basic good manners that every person should have And *Thank You* is also the delight of the World to Come that is our delight in the eternal world The merit of giving thanks and praising Hashem in this world is the most beautiful and greatest gift that the Creator gave us **Say "Thank You" and See Miracles** Rav Shalom Arush, In this book we have compiled 190 stories of miracles that people from all over the world have brought to our attention These wonderful people have seen miraculous salvations by expressing their gratitude to Hashem and by clinging

to the belief that everything He does is for the very best People who waited years for a soul mate suddenly met the right person Couples with terrible fertility issues suddenly became parents Debtors who never dreamed of repaying their debts not only did so but became wealthy as well People who were light years away from spirituality discovered the sublime pleasure of their own intimate relationship with Hashem How did they do it These are all the sweet fruits of gratitude thanking Hashem for everything while taking nothing for granted *Journey Together* Sarah Hermelin, 2016-06-15 Offering a model of self improvement rooted in Jewish thought and practice *Journey Together* explains the mystical system of counting the Omer a Jewish practice of counting the days between the holidays of Passover and Pentecost focusing on a different personality characteristic on each of the 49 days The author illustrates how each trait can be improved with easy to grasp examples from the Bible as well as inspirational modern day stories Each chapter concludes with exercises that parents and children can carry out together to help strengthen the family bond This guide serves to make the counting of the Omer a transformative experience for families who take the time to apply its insights and lessons into their lives **Smile forever** Rav Shalom Arush, One of the most agreed upon concepts in humanity regardless of age sex religion or nationality is that a person is striving for one thing only to live a good and sweet life A person merits a genuinely good life when he is kind to others and brings them joy When he is an agent of good his life is good for the Creator runs the world on a turn for tum basis What you give to other people is exactly what the Creator will give to you **The Complete Book of Women's Wisdom** Cassandra Eason, 2001 A collection of information on the feminine history of the world relating to myths stories rituals festivals and more associated with women through the ages Woman Cindy Koch, 2017-06-16 For any woman identity is important The question who am I will haunt her every decision Along the pathway of life many will tell her a story of who she is She might be lucky enough to hear the pure and simple truth but more often than not she will be told and believe a variety things Consequently both men and women have become confused afraid angry and bitter towards the story of woman in our culture because tragically we have forgotten the ancient story spoken by God s Word Discover again the old story of a beautiful identity a story of love and sacrifice Uncover this story of new hopes and amazing dreams that are actually real The story offers incredible comfort gives guidance and teaches everyone who listens a wisdom that saves lives From the creative voice of God through the death of a Savior to the walk of Wisdom hear and remember the forgotten story of woman

**Embracing the Divine Feminine** , 2014-10-07 More than ancient erotic love poetry this celebration of the human relationship with Wisdom can be a companion for your own spiritual journey The Song of Songs is the Hebrew Bible s deeply erotic poem of love sexual yearning and consummation Holding it sacred yet troubled by its thinly veiled eroticism Jews and Christians for millennia have read the Song of Songs as an allegory of God s love for Israel the classic Jewish understanding or Jesus s love for his Church the classic Christian understanding This fresh translation restores the Song s eroticism and interprets it as a celebration of the love between the Divine Feminine and the contemporary spiritual seeker Scholar and

award winning teacher Rami Shapiro renders this ancient love song as Lady Wisdom offering seekers physical and spiritual intimacy with her so that they might awaken to and participate wisely in the unity of God woman man and nature His intriguing facing page commentary provides historical religious and spiritual insights from Christian and Jewish wisdom traditions as well as clear comparisons to other translations Now you can understand the poetry beauty genius and mystery of the Song of Songs with no previous knowledge of the Hebrew Bible or wisdom literature Compelling in its novelty and accessible in its presentation this version of the Song of Songs will beckon you more deeply into Jewish Christian sacred texts while offering you wisdom teachings and practices rooted in but not limited to religion
