**Answering The Call** ,Jeff,Cathy Carr,2021-08-05 The phrase answering the call can be interpreted in many different ways answering the call of duty answering the call on a phone or answering the call that comes with the responsibility of being a parent or in this case a father As a father I never wanted to experience the emotions of shock confusion and grief that cascaded into total devastation But that s exactly what happened the day I answered that call When life ends prematurely we must choose how to respond All things changed all timelines changed and when I look back and remember certain events that have occurred I preface them by saying that happened before or that happened after the call I received about my son Rob Most people don t know what a Gold Star Family organization is I knew it was an honorable organization but I didn t know much more than that Membership cannot be purchased It cannot be inherited and you can t join on your own Membership is gained only through the tragic loss of an immediate family member during combat the loss of someone who was brave enough to serve our country and pay the ultimate sacrifice I knew I never wanted to be a member of such an honorable organization and I m sure no one else does either However my family and I became a member of the Gold Star Families on March 13 2007 the very day I answered the call We are a genuine blended American family with three military children As most blended families we have a complex set of dynamics and challenges but we try to work through them with love and sometimes in a messy way There is no normal in our lives anymore Someone once said Normal is just a setting on a dryer And I couldn t agree more This is my journey of shock grief devastation and finally closure A journey which portrays deep love deep pain and deep faith And this horrific journey started the day that I answered the call
