collected dramatic works of Bertolt Brecht are presented in the most comprehensive and authoritative editions of Brecht's plays in the English language. The seventh volume of Brecht's Collected Plays contains the plays which Brecht wrote during his six year stay in the United States from 1942 to 1948. *The Visions of Simone Machard* is a French resistance version of the Joan of Arc story. *Schweyk in the Second World War* transposes Hasek's good soldier to the Prague of Hitler and Heydrich. *The Caucasian Chalk Circle* based on the biblical story of the judgement of Solomon was originally written for production on Broadway with W. H. Auden responsible for the verse. A morality masterpiece, the play powerfully demonstrates Brecht's pioneering theatrical techniques and has since become one of his most popular works. The translations are ideal for both study and performance. The volume is accompanied by a full introduction and notes by the series editor John Willett and includes Brecht's own notes and relevant texts as well as all the important textual variants.

The Reader, 1863 *Falling*
Dawn Davis, 2017-11. A worthy follow up to her 2015 debut *Falling* whisks us back to the summer of 1813 and the brief American occupation of Queenston where it explores the events leading up to Laura Secord's historic walk of June 21. In this prequel to *The Tree of Life*, Leo Becker has only recently moved into the Rose Park mansion at the invitation of his cousin Dilys. He knows nothing, however, of the strange working of the Tower Room but that is about to change. His daughter Francine, a whip-smart Toronto lawyer, is pregnant and pregnancy has done nothing to soften the naturally jagged edges of her personality. When she is hospitalized over concerns with her blood pressure, it appears likely that Francine, incensed over her forced incarceration, will soon be dragging the entire hospital into court. And then there is the strange in utero behaviour of the baby. Leo is beside himself with worry and Dilys deems the situation ripe for his initiation into the mysteries of the Tower Room. With a nourishing soup for Francine simmering in the kitchen, Dilys takes Leo upstairs for a talk and a cup of tea. What happens next is the last thing Leo expects.
