Subject Catalog Library of Congress, **Leading and Managing in the Social Sector** S. Aqeel Tirmizi,John D.
Vogelsang,2016-12-22 This book explores leadership and management in social sector organizations which include NGOs non
profits social enterprises social businesses and cross sector collaborations focusing on advancing human dignity and social
justice It provides social sector leaders with an overview of current trends issues and challenges in the field as well as best
practices to foster effective programs sustain organizations and meet the growing demands of the sector The enclosed
chapters cover topics such as cross sector organizational design innovation for client services gender management dynamics
policy advocacy and the growing social entrepreneurship movement The social sector is currently in a vibrant dynamic and
exciting stage The sector s role and relevance to advancing human dignity and social justice is greater than ever The number
and types of social sector organizations have increased exponentially around the world and are offering extraordinary and
much needed contributions toward an array of social issues The traditional NGOs and non profit organizations continue to be
an integral part of the global civil society At the same time the emerging organizational forms under the social
entrepreneurship umbrella are providing new momentum and excitement within and outside of the social sector The interest
in social entrepreneurship is encouraging existing social sector entities to actively embrace and encourage innovation This
interest is also inspiring a new breed of professionals and organizations to contribute to the social sector This trend falls
under the larger social sector dynamic promoting the creation of hybrid and emergent organizational forms which cross and
combine the traditional non profit and for profit domains Despite the increased interest the social sector still faces challenges
around the world CIVICUS an international group promoting civil society organizations and groups recently reported a rise in
the restrictions on civil society activities in a number of countries through worsening policy and legal environments Funding
challenges for the social sector are thus becoming more significant At the same time the calls for social sector accountability
and emphasis on results and impact are growing This book aims to offer approaches and tools which allow for the bridging of
demands between creativity and accountability between inspiration and results and between gaining individual commitment
and shared ownership of agendas and achievements all of which are needed to effectively operate in the changing social
sector Doing Business in the Middle East Pawan Budhwar,Vijay Pereira,2023-05-04 The Middle East has for a long time
been at the centre of global trade as well as political interest Demographic and social change shifts in global economic power
rapid urbanisation climate change and resource scarcity and significant technological development make this region both
complex and hugely important Doing Business in the Middle East highlights both the opportunities and constraints

confronting foreign investors in the region and proposes strategies on how best to overcome them The book explores the existing and emerging political and legal frameworks sociocultural patterns national infrastructures regulatory environment conflict resolution and how to negotiate in the Middle East It also provides useful insights into how to approach advertising and marketing promotion and distribution and also at the strategies for investing in the region and appropriate modes of entry With a number of features such as case studies examples of effective and ineffective practices clear takeaways and a note on a future agenda on each given topic this book is highly practical Based on robust research this comprehensive guide to doing business in the Middle East is an ideal reference tool for potential foreign investors those who are already doing business or intend to do so in the region and for a range of business and policy decision makers The book is also suitable for students and researchers in the fields of international management and business international and strategic HRM cross cultural management and business communication
