Tannacito,1995 This bibliography offers English as a Second Language ESL and English as a Foreign Language EFL specialists and non specialists a listing of almost 3 500 works in the field of writing in ESL EFL at all educational levels from 1937 through 1993 It includes works focusing on how non native speakers write in English how they learn to write in English how ESL and native English speaker NES compositions compare how English is taught in contexts where it is used as a second or foreign language and instructional materials developed to support writing in a second foreign language Citations include bibliographies monographs textbooks periodicals dissertations and some unannotated master s theses conference papers and Educational Resources Information Center ERIC documents An introductory section and a list of native languages addressed in the works precede the annotated entries Author and subject indexes are also included MSE      **Cabell's Directory of Publishing Opportunities in Education** David W. E. Cabell,1998      **Proceedings of the Section on Survey Research Methods** American Statistical Association. Survey Research Methods Section,1994      **Multicultural Course Transformation in Higher Education** Ann I. Morey,Margie Kitano,1997 Responding to increasing enrollments of students of color students with disabilities students whose first language is not English and students entering college in their mid twenties or later many colleges and universities are including multicultural issues in their course and curriculum preparation Faculty members and administrators involved in multicultural initiatives will find here a suggested framework for making course and curriculum changes along with specific examples and scenarios from a variety of disciplines At the heart of the book is a two dimensional model for infusing multicultural elements into a course or curriculum The model identifies three levels of change exclusive inclusive transformed and four course components in which change can be applied content instructional strategies

assessment of student knowledge and classroom dynamics The authors suggest that instructors approach course change by focusing on one or more of these components and identifying a target level depending on the instructor's multicultural goals and the nature of the discipline The book draws upon the skills of experienced college and university educators to show how the model may be applied in specific disciplines and courses This book is an indispensable thoroughly documented resource It will appeal to all post secondary educators and administrators interested in creating an academic environment that reflects the needs of today's students and the reality of today's diverse society *College & Research Libraries News*, 2003

*Collaborative Writing* Bruce W. Speck, 1999-07-30 Collaborative writing has attracted much attention in the last 25 years though it eludes clear definition In its simplest sense it is writing done by more than one person But in a broader sense even a work by one author involves collaboration The author typically builds on the work of others and revises the writing in response to feedback This feedback can come from a student's peers or teacher in a classroom setting it can come from experts and editors who assess a scholar's writing or it can come from colleagues and clients in the world of business This bibliography is a guide to research on collaborative writing published from the early 1970s to 1997 Included are nearly 1000 annotated entries for books articles reports bibliographies and other materials These entries are clustered in two broad parts each of which contains numerous topical sections The first part of the book is devoted to collaborative writing in academic settings and covers such topics as classroom issues peer review and tutoring the role of computers and technology particular types of classes and ethical and gender concerns The second looks at collaborative writing in nonacademic settings Included are works on corporate acculturation group dynamics policies and procedures industry university collaboration and technical reports Entries are arranged alphabetically in each section and detailed author and subject indexes provide easy access to the material
