

***Note: The Learning Center will be using pink and purple golf balls for certain occasions. When you pick the range sort the golf balls by color and wash them separate from the white range balls. Return these immediately. (Refer to picture on page 12 under Driving Range).**

Pick Balls

Ride the ball picker throughout the day, maintaining a clean appearance on the driving range. Make sure you always have enough balls to refill all baskets on the tee then move on to other duties. Keep right side of range picked first including the first fairway and be careful not to pick up player's ball playing number 1.

Ball Cleaning

Never put unwashed ball on the tee for players to hit. Every ball picked will be ran through the ball washer.

Ball Sorting

When balls are being washed they should also be sorted. The old balls that have become damaged dispose of them in the container provided down at the range. (If the Titleist or number is hard to read, box it up or put in the big grey trash bin) **(Refer to pictures on page 13 under Ball sorting).**

Bunkers

Keep balls raked out of bunkers during slow time so you can easily pick up balls with the picker.

Club Cleaning Buckets

There should be one cleaning bucket on each practice tee. The water should be emptied and replaced with clean water every day.
