### The National Sales Aptitude Test™

***Your Secret Weapon  
to Increasing Your  
Sales!***

**IMPORTANT NOTICE:** The Sales Success Profile® has been designed to provide valuable information about your sales skills and abilities. It helps pinpoint your strengths and weaknesses. This Profile identifies areas such as your ability to overcome objections and your ability to close (a total of 13 skill areas of the sales process). The results of this Sales Success Profile can be used by your team leaders and/or employer to help improve your ability to sell by providing additional training in the areas where you need help. By completing this Profile you expressly agree that your answers may be evaluated and that the results of this evaluation may be released to the company or agency that requested you to complete this profile.

In consideration of being permitted to take, participate, or be administered the Sales Success Profile, I hereby release Lousig-Nont & Associates, Phase II, Inc., their agents, distributors, officers, employees, representatives, related or affiliated companies, and successors, and the company requesting me to complete this profile from all liability and any actions or causes of action of every kind, nature, and description arising out of, or incidental to, my taking, participating, or being administered the Sales Success Profile. By taking the test below, you indicate that you have read, understand, and agree to the conditions set forth above.

The Sales Success Profile® measures selling skills, not personality. It is easy to modify personality traits, however difficult it is to change personalities. Selling skills are trainable, however, it is important to know what level of skills you already have and what areas you need to enhance or learn to become more effective in your sales position.

The Sales Success Profile® is a 50 question multiple choice sales skills test that measures 13 critical skills. Not personality. You will be compared to over 300,000 other salespeople. Simply complete the questionnaire with 50 questions. When you complete the test and click on submit, your answers will be forwarded to our test center. You will receive an instant email confirming the receipt of your test answers and instructions of the next step.

*The Cult of Personality Testing* Annie Murphy Paul,2010-06-15 Award winning psychology writer Annie Paul delivers a scathing expos on the history and effects of personality tests Millions of people worldwide take personality tests each year to direct their education to decide on a career to determine if they ll be hired to join the armed forces and to settle legal disputes Yet according to award winning psychology writer Annie Murphy Paul the sheer number of tests administered obscures a simple fact they don t work Most personality tests are seriously flawed and sometimes unequivocally wrong They

fail the field's own standards of validity and reliability. They ask intrusive questions. They produce descriptions of people that are nothing like human beings as they actually are complicated, contradictory, changeable across time and place. The Cult Of Personality Testing documents for the first time the disturbing consequences of these tests. Children are being labeled in limiting ways. Businesses and the government are wasting hundreds of millions of dollars every year only to make ill-informed decisions about hiring and firing. Job seekers are having their privacy invaded and their rights trampled and our judicial system is being undermined by faulty evidence. Paul's eye-opening chronicle reveals the fascinating history behind a lucrative and largely unregulated business. Captivating, insightful and sometimes shocking. The Cult Of Personality Testing offers an exhilarating trip into the human mind and heart.
