

POLICIES AND PROCEDURES

Church Calendar Scheduling

POLICY

The official church calendar is maintained by the Secretary. All requests and changes must be channeled through her. No one else may enter, delete, or change information on the official calendar.

Church program activities (meetings, fellowships, recreation, musical programs) may be scheduled by staff, organization and department directors, and committee chairpersons as coordinated by the Church Council.

The Pastor and the Church Council will coordinate the scheduled events for the church calendar.

Program activities and committee meetings will not conflict with the regularly scheduled services of the church (morning and evening worship, Sunday school, Discipleship Training, midweek prayer service).

Use of the building for other than church-sponsored activities is subject to the church policy on use and space available. When a conflict arises, church activities take priority over sponsored activities on a first-come, first-served basis.

PROCEDURE

Scheduling:

1. Each individual wishing to schedule an activity or emphasis must complete a Calendar Scheduling Form. Forms are kept in the church office.
2. The Schedule Request Form is submitted to the Secretary one week prior to the monthly Church Council meeting.
3. The Secretary shall check calendar for the availability of facilities and will make notation on form.
4. Pastor takes the request to Church Council meeting for approval.
5. Secretary enters the event on the church calendar in pencil.
6. Secretary notifies requesting person of approval.
7. Secretary distributes a weekly building use calendar to each staff member and to the person responsible for opening and closing the building.

Cancellations or Changes: To change the date, time, or cancel the event please contact the Secretary as soon as possible to note cancellation in the bulletin or newsletter.

Child Safety Guidelines for Local Churches Roger N. McNamara, 2010-10 Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house Sadly many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones By not taking reasonable precautions they not only endanger the welfare of their youngsters but are subject to charges of gross negligence and significant financial judgments against their congregations The author outlines numerous steps that any congregation can take to protect both the children and churches they serve ROGER MCNAMARA is a veteran pastor missionary and church planter with more than forty six years of experience in local church ministry in Latin America and the United States He has started and worked in half a dozen churches over the past four decades and now serves as the Church Planting Training Specialist for Baptist Mid Missions In this capacity he works with churches and church planters throughout the United States and Canada teaching training and mentoring church leaders He also serves in a number of leadership positions within the Baptist Mid Missions TEAM NORTH AMERICA as well as the registrar for the School of Church Planting He has published two other books and several leadership training manuals

The Church Leader's Handbook William Cutrer, A well rounded and practical approach to the issues and crisis faced by pastors everyday

Texas Rules of Evidence Manual - Tenth Edition David A. Schlueter,Jonathan D. Schlueter,2015-07-01 Texas Rules of Evidence Manual provides an updated comprehensive reference to Texas evidence for both civil and criminal cases The book provides a rule by rule analysis of each Rule of Evidence This sturdy hard cover text is designed for heavy use in the courtroom This text helps those who are bound to use the Texas Rules of Evidence whether it is the bench or the bar or those studying evidence While the text contains some academic discussions the book is designed to explain what a particular Rule requires or prohibits to indicate what the appellate courts have said about the Rules and to offer some practical pointers on using the Rules The book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law Following each Rule is an editorial commentary on the Rule explaining how the Rule works what the Texas courts have said about the Rule and how it compares with the Federal Rule because Texas courts often review federal precedent where they find it helpful in applying a Texas Rule When appropriate practical pointers are also provided on how to use the Rule Where the Rules apply in the same fashion for both civil and criminal cases those points are discussed together On the other hand where they diverge the authors have used separate headings for Civil and Criminal when that seems appropriate One of the objectives of the Editorial Analysis in this text is to deal with the interrelationships of the various Rules The authors have noted those areas where the Rules differ from pre Rules case law or statutory provisions Some of the Rules changed the prior Texas evidence law and although many of the Texas Rules agree with the Federal Rules a number differ significantly The Legal Legacy of the Reformation John Duddington,2024-11-25 The growing interest in the relationship between religion and law is in the case of Christianity often viewed in monolithic terms Moreover the debate is often seen in terms of the relationship of Christianity to the state along with discussions about for example religious freedom Christianity is often seen as responding to claims made on it by the state and by the growth of secularism This book takes a different approach First it makes the claim that Christianity has something of value to say about various pressing issues which are of direct relevance to contemporary society Amongst these are the place of human rights and that of individual claims of conscience Second it does not regard Christianity as a monolithic whole but takes as its starting point the sundering of Christendom at the Reformation which it claims led in many cases to divergent patterns of thought between Catholics and Protestants about law and its place in society However as this book shows in many cases

Catholic and Protestant thinking on areas such as natural law is not as divergent as it is often thought Five hundred years after the Reformation the work presents a reflection on the roots of Catholic and Protestant thinking on law and its place in society It will be of interest to canon lawyers as well as academics and students of law and religion **Cohabiting Couples and Cold Feet** Robert W. Prichard,2009 Clergy today are faced with a profound shift in American attitudes about marriage that affects the role they play with each couple Our society at large today has strikingly different attitudes from those of just fifty years ago Couples today are more likely to have cohabited before marriage more likely to have children born out of wedlock more likely to be married outside of the church and more likely to be previously divorced than were their counterparts of the mid 20th century This new pastoral resource grounded in real life examples will be an important new pastoral tool for clergy and seminarians in the Episcopal Church and other mainline Protestant churches It is organized chronologically beginning with how to engage the couple making a first time contact with a member of the clergy It next unpacks the marriage rite itself within contemporary and traditional viewpoints Finally the book addresses the critically important application of long term support for the couple throughout their married lives **The Great IRS Hoax, Form #11.302** Family Guardian Fellowship,2020-02-06 Exhaustive treatment of the federal tax enforcement fraud OFFSITE LINK Disclaimer Disclaimer <https://famguardian.org/disclaimer.htm> Family Guardian Fellowship the author of this document has given their express permission for SEDM to republish their materials to Google Books and Google Play at section 10 of the following location https://famguardian.org/Ministry_DMCA_Copyright.htm For reasons why NONE of our materials may legally be censored and violate NO Google policies see https://sedm.org/why_our_materials_cannot_legally_be_censored

Points of Connection Joshua A. Stone, 2024-04-19 Points of Connection Realizing the Potential for Improving the Church Membership Process Church member assimilation is key to growth for the Christian and has been particularly difficult for many churches since the recent pandemic A highly assimilated church is a church where all members are encouraged in tangible ways in their walk with Jesus Christ as their personal Savior by embodying the great apologetic but speaking the truth in love we are to grow up in all aspects into Him who is the head that is Christ from whom the whole body being fitted and held together by what every joint supplies according to the proper working of each individual part causes the growth of the body for the building up of itself in love Ephesians 4:15-16 NASB 2020 Using a structured program evaluation the author sought to gain insight from new church members by interviewing a cross section of new members who had joined within a two year period Participants included a diverse group of church members including younger adults single adults married adults seasoned believers and new believers ensuring that all demographics of the church family were represented The participants interviewed had ample time to assimilate prior to the interviews The end goal was to determine why some members might not be assimilating well since joining the church and to get more members on the path to discipleship and service and connection to the local body of Christ through participatory membership The responses identified ways that the church can reach more people increase engagement and move people along to serving well as fully assimilated members In a supported effort to assimilate church members well this book will showcase a streamlined process of walking new members through the process of assimilation by helping them to connect with other believers with church leadership and with areas of service where they may employ their spiritual gifts This book may serve as a guided resource for pastors church staff members and leaders in the church as they

help new members to find points of connection within the church
