 account of how US policing and punishment have been retrofitted over the last four decades to extract public and private  
 revenues from America s poorest and most vulnerable communities Alongside the rise of mass incarceration a second  
 profound and equally disturbing development has transpired Since the 1980s US policing and punishment have been remade  
 into tools for stripping resources from the nation s most oppressed communities and turning them into public and private  
 revenues Legal Plunder analyzes this development s origins operations consequences and the political struggles that it has  
 created Drawing on historical and contemporary evidence including original ethnographic research Joshua Page and Joe Soss  
 examine the predatory dimensions of criminal legal governance to show how practices that criminalize police and punish  
 have been retrofitted to siphon resources from subordinated groups subsidize governments and generate corporate profits As  
 tax burdens have declined for the affluent this financial extraction now a core function of the country s sprawling criminal
