Final Environmental Impact Statement , 1980 *Driving Detroit* George Galster, 2012-08-16 For most of the twentieth century Detroit was a symbol of American industrial might a place of entrepreneurial and technical ingenuity where the latest consumer inventions were made available to everyone through the genius of mass production Today Detroit is better known for its dwindling population moribund automobile industry and alarmingly high murder rate In *Driving Detroit* author George Galster a fifth generation Detrouiter and internationally known
