Voices in the Kitchen Meredith E. Abarca, 2006 Literally chilaquiles are a breakfast I grew up eating fried corn tortillas with tomato chile sauce Symbolically they are the culinary metaphor for how working class women speak with the seasoning of their food from the Introduction Through the ages and across cultures women have carved out a domain in which their cooking allowed them to express themselves strengthen family relationships and create a world of shared meanings with other women In *Voices in the Kitchen* Meredith E Abarca features the voices of her mother and several other family members and friends seated at their kitchen tables to share the grassroots world view of these working class Mexican and Mexican American women In the kitchen Abarca demonstrates women assert their own saz n seasoning not only in their cooking but also in their lives Through a series of oral histories or charlas culinarias culinary chats the women interviewed address issues of space sensual knowledge artistic and narrative expression and cultural and social change From her mother s breakfast chilaquiles to the most elaborate traditional dinner these women share their lives as they share their savory symbolic and theoretical meanings of food The charlas culinarias represent spoken personal narratives testimonial autobiography and a form of culinary memoir one created by the cooks as writers who speak from their kitchen space Abarca then looks at writers as cooks to add an additional dimension to the understanding of women s power to define themselves *Voices in the Kitchen* joins the extensive culinary research of the last decade in exploring the importance of the knowledge found in the practical concrete and temporal aspects of the ordinary practice of everyday cooking
