is at best secondhand unreliable often deliberately distorted sometimes blatant lies Prostitution is a taboo subject and taboos breed ignorance The taboo means that the people who know what the world of prostitution is really like don't talk about it Few women are willing to admit even to their friends that they are prostitutes few men are willing to admit they visit prostitutes This book tries to give an accurate honest description of independent prostitution from the clients viewpoint and to the extent that it is possible for any client to do this from the prostitutes viewpoint as well It is NOT a confession I've seen many prostitutes over the years and have hugely enjoyed my time with them I'm not ashamed of seeing prostitutes don't feel guilty about it and I'm not seeking forgiveness or atonement for it On the contrary meeting and having sex with prostitutes has hugely enriched my life I've therefore tried to give an honest guide to the world of prostitution as I've experienced it and to argue the rational case for prostitution as a good thing The book is in two main parts Firstly a TRAVEL GUIDE to the hidden world of prostitution to describe what it's really like from the viewpoint of someone who has personally experienced it rather than the myths and legends most people hear It tells you how as a client you can safely find and meet prostitutes what you will have to pay what you can expect to get and everything you need to know about how the hidden world of prostitution works I hope this will help you decide whether you want to visit the world yourself what you should expect to find and what to beware of Although aimed mainly at clients the Travel Guide also describes what life is like for the prostitutes themselves the factors they need to take into account in setting themselves up how they juggle prostitution and the rest of their lives and how they view their work The Travel Guide is mostly about prostitution in Britain but it also talks in some detail about the world of FKK clubs the so called mega brothels in Germany which are based on a totally different and totally legal approach to prostitution one I would like to see adopted here The Travel Guide tells you how you can visit an FKK club to find out for yourself The second part of the book argues for a more open and honest UNDERSTANDING AND TOLERANCE of the world of prostitution in Britain the people within it the psychology of it and the need for more genuinely open minded academic research into it I would love this to lead to a more honest government and public policy approach to prostitution as a social phenomenon tackling its problems and needs objectively and based on reality rather than myths no matter how politically expedient those myths may be It argues that far from being a problem prostitution can have positive social benefits particularly if the law treats it openly and tolerantly I've also included a short section on PRACTICAL ISSUES such as prostitution and the law looking after your health protecting your physical safety what to do if things go wrong and so on I hope you enjoy reading the book and I hope it changes your mind about prostitution in Britain SH I define independent prostitutes as women who have made a deliberate and rational choice to work as prostitutes They are self employed working entirely on their own account usually from a house or flat or visiting you in your home or a hotel room The book does not cover streetworkers people working in massage parlours or male prostitutes mainly because I have no experience of those sectors of the market Someone else will have to write that book

### **Travel Prostitution Guide Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Travel Prostitution Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Travel Prostitution Guide has opened up a world of possibilities. Downloading Travel Prostitution Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Travel Prostitution Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Travel Prostitution Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Travel Prostitution Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Travel Prostitution Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Travel Prostitution Guide has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
