

# *A Tribute to My Dad*

*Who is that man with the gentle face,  
Who in his youth kept a hectic pace,  
To provide for his family all that he could,  
Who is that man so giving and good?*

*Who is that man with the ready smile,  
Who always took time to sit for a while?  
He was there when his family needed him there,  
Who is that man with the gray in his hair?*

*Who is that man who encouraged us all,  
And helped us up when we took a fall,  
Spending a lifetime extending his hand,  
Who is that kind, compassionate man?*

*Who is that man who we all adore,  
The man who these words of devotion are for?  
I'll tell you with all of the love that I can,  
"My Dad" is that truly exceptional man!*

*Grieving the Death of a Father* Harold Ivan Smith, 2024-07-16 Losing a father can be a complex and confusing transition Whether a father was beloved or feared the loss and grief is a process one that sometimes begins before the physical loss has occurred Drawing on his own experience of losing a father as well as on the experiences of others grief counselor and educator Harold Ivan Smith compassionately guides readers through their grief from the process of dying through the acts of remembering and honoring a father after his death This book provides a way forward By shifting the grief process from something to rush through Smith encourages readers to embrace their grief as a natural response to loss and to give themselves time to work through the sadness ambiguous feelings memories and reality of living without a father A father's death inevitably changes us With gentle and wise words Smith speaks to people who have gone through this loss and helps those yet to face it This edition includes a new foreword from the author **Fathers True** Chuck Mansfield, 2023-02-23 When the author's son John suggested he write a book about fatherhood he thought with all the books on fatherhood who needs another He concluded Perhaps I do While the book is indeed about fatherhood and fathers it also tells of other fitting paternal exemplars father figures who may not have had children of their own but nonetheless have or had the right stuff as men and mentors A central tenet herein is that good strong fathers are essential to the character building and moral fiber of our young and the very fabric and future of our currently downward spiraling society One reviewer writes the testimonials describing the influence for good one person can have over another be he parent son friend teacher comrade barber sports coach or even our children are remarkable The vignettes sometimes evoke amusement sometimes tears but lift the spirit and stay in the memory **Never Walk Away** Crawford W. Loritts Jr., 1998-07-01 Do you have what it takes to be a great dad You don't have to be a number one athlete the president of your company or even the funniest bed time story teller No special skills are required You have everything you need to be the best dad the knowledge of what is right and the conviction to act upon that understanding What you do and say will leave lasting impressions about character integrity and faith upon your children Don't you want that impression to be a good one Crawford Loritts' godly father was a source of family solidarity and a blessing to his children Learn from his example how one ordinary man can exhibit an extraordinary timeless love that fosters intimate lasting father child relationships Become your child's strongest ally mentor inspiration and friend Each husband and father has the means to powerfully shape his family's future By your example you can instill in your children a standard for love that endures Discover how you can exhibit faithfulness that will have a far reaching impact on your kids and future generations in *Never Walk Away* **The Journey God Chose** Douglas V. Jewson, Al Brock, 2013-01-14 The Journey God Chose is told by a man who at an early age had a heart that yearned after God In the process of surrendering his life to Christ he came to realize the truth contained in Proverb 16:9 New International Readers Version In your heart you plan your life But the Lord decides where your steps will take you He realized that each day of his life journey was ordered not by him but by

his Heavenly Father Al Brocks story is intensely personal It is an open and honest look at his struggles from early childhood with feelings of jealousy inadequacy and inferiority as he became aware of physical limitations not shared by his identical twin brother As well he struggled with feelings of lack of acceptance by his father again because of his limitations Als brother Pete was always chosen first to be on athletic teams while Al was chosen last Pete became the star quarterback of the high school football team while Al himself served as the teams water boy He grew up in an environment of fear because of his fathers alcoholism and violent rages when intoxicated And then his father was gone when Al was only nine years of age succumbing to the ravages of his drinking This left the family of mother and four children to cope with no ready source of money during the years of the Great Depression Als life verse could be thought of as Romans 8 28 NIRV We know that in all things God works for the good of those who love him He appointed them to be saved in keeping with his purpose This verse is a thread running throughout the story of his life It is evident from childhood on as the family overcame the challenges of going forward without the father Continued evidence is seen throughout from his military service during WWII through his calling to the ministry and his education in the answer to prayer that provided his wife and on into his later years Every life that came in contact with Al Brocks was met with a commitment by him to closeness and lasting friendship God used that to bring those he and Bunny met closer in their desire for the Lord The churches he served grew both in membership and spiritually A monumental change occurred for Al with the stirring of the Holy Spirit for a full surrender of his life God gave him a life changing experience of memory for repressed events with subsequent healing of past hurts done to him and by him to others The result was a Baptism of the Holy Spirit into the fullness and freshness of a new spiritual calling and personal walk with God The lives of those he came in contact with were changed to an even greater degree with the fullness of the indwelling of the Holy Spirit This became a priority in churches he served and in special groups of people The Spirit of the Lord was seen to change individual lives as well as the collective life of the churches he and Bunny were called to serve Al Brock is one of the few men I have come in contact with who has turned sorrow and disappointment into a stepping stone to knowing God in a richer and deeper walk and the Holy Spirits control Bunny faithfully served along with him in every calling that they had together His children rise and call him blessed So do the many close friends he and Bunny made during the years that they served in the ministry It was a pleasure for me and my wife Diane to come to know him and his loving wife through helping to put his life story into words on paper Hopefully lives will continue to be changed by those who read these words even though you may not have the joy of being in contact with him through personal relationship or ministry

**The Far Side of a Dead Beat Dad** David Bryson, 2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto De oppresso liber a Latin phrase that means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex

wife's testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife's charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence

*Sh\*tuff My Dad Wrote* Frank Napoleon, Jr., 2011-11-17 I always assumed that in addition to picking through my meager box of old watches rings and other possessions my family would

scour my hard drive looking for items I had written during my life Realizing it was a remote possibility they would undertake let alone find such treasures in the labyrinth of file folders I've created over the years I decided to compile a collection of my written works into this single volume It is my hope they will glean some wisdom from the collection if only to draw comfort in the realization that their Dad was once a twenty something contemplating marriage and a thirty something father or even fifty something and aging against his will
