needs to be done bills to pay people to care for tasks that won't wait I watch others mourn and I stay strong for them pushing my own pain aside like it doesn't matter But it does I read the scriptures I know that Jesus tells me to lay my burdens at His feet and I try I really do But laying them down doesn't mean they disappear It doesn't mean the ache in my chest stops It doesn't mean the memories fade or the weight of loss magically lifts It just means I'm trusting that God sees me even when no one else does

*Politics of Mourning in Early China* Miranda Brown,2012-02-01 The Politics of Mourning in Early China reevaluates the longstanding assumptions about early imperial political culture According to most explanations filial piety served as the linchpin of the social and political order as all political relations were a seamless extension of the relationship between father and son a relationship that was hierarchical paternalistic and personal Offering a new perspective on the mourning practices and funerary monuments of the Han dynasty Miranda Brown asks whether the early imperial elite did in fact imagine political participation solely along the lines of the father son relationship or whether there were alternative visions of political association The early imperial elite held remarkably varied and contradictory beliefs about political life and they had multiple templates and changing scripts for political action This book documents and explains such diversity and variation and shows that the Han dynasty practice of mourning expressed many visions of political life visions that left lasting legacies Grit to Stay Grace to Go Sue Eenigenburg,Eva Burkholder,2023-05-30 Don t Leave Too Soon Don t Stay Too Long Staying isn t always good and leaving isn t always bad Both require grit and grace Cross cultural ministry presents us with many difficulties like transitions loneliness messy relationships and the desire to escape The lies we believe tempt us to leave our

work too soon But nothing tests our resolve to stay like seeing others go Grit to Stay Grace to Go normalizes the challenges of ministry through honest and humorous stories from the authors own lives as well as testimonies from many other workers The point is to help cross cultural workers not just to stay but to stay well by countering lies with truth This workbook provides thoughtful reflection questions practical action steps and suggested prayers It encourages stayers to process their grief guilt and relief when saying goodbye to goers In this way they can move forward with forgiveness and humility and truly bless the departing ones Those considering leaving will find poignant questions and spiritual practices to help them make an intentional not reactive decision Are you considering leaving the field Or do you know someone who is Work through this book by yourself or with others You will gain wisdom to help workers develop grit and grace to stay or go     **Listening to Children** Alison McLeod,2008 Listening to Children is essential reading for professionals working with children and young people and will be particularly useful for students in the fields of social care health and education BOOK JACKET
