Taxation and Development - A Comparative Study Karen B. Brown, 2017-01-16 This volume examines the tax systems of some twenty countries to determine whether their tax laws are used to support growth and development across borders in lower income and poor countries Given the critical economic development needs of poorer countries and the importance of stability in these regions to the security of populations throughout the world the use of a country's tax laws to support investment in the developing world gains crucial significance This book explores whether international standards promoting the fundamental values of the major tax systems of the world accommodate incentives for these nations In addition it analyzes the way in which adoption of principles by higher income nations to protect their own revenue bases has a spill over effect impairing the ability of developing countries to sustain their economies Following an introduction that synthesizes worldwide trends the volume contains separate chapters for a variety of countries detailing the underlying goals and values of each system and the way in which the decision to employ or not employ incentives accommodates those ends The chapters include reports for Australia Belgium Brazil Croatia Czech Republic France Hong Kong Israel Italy Japan the Maldives the Netherlands Poland Portugal South Africa Uganda United Kingdom United States and Venezuela The volume memorializes the work of the General Reporter and National Reporters at the Taxation and Development session of the 19th Congress of the International Academy of Comparative Law held in July 2014 in Vienna Austria

**OECD Economic Surveys: Korea 2020** OECD, 2020-08-11 Economic activity has contracted less in Korea than in other OECD countries thanks to the prompt and effective reaction of the authorities to contain the spread of the COVID 19 virus and to the wide ranging government support to households and businesses Nevertheless the pandemic generates strong headwinds

**OECD Economic Surveys: Germany 2020** OECD, 2020-12-08 The German economy entered a deep recession in 2020 due to the coronavirus pandemic A strong government response has reinforced health system capacity while protecting jobs and firms The response to the crisis has included increases in investment to meet structural challenges from the energy transition and digital transformation

**The Regulation of Tax Competition** Chukwudumogu, Chidozie G., 2021-12-10 This comprehensive book adopts a nuanced yet straightforward approach to analysing the complex phenomenon of international tax competition Using the ongoing international efforts of the Organisation for Economic Co operation and Development OECD and the European Union EU as a basis for its analysis it explores the mixed effects of tax competition and offers an effective approach that takes account of the asymmetrical global context

**Tax Evasion and the Law** Sam Bourton, 2024-06-18 This book provides a critical and contemporary evaluation of the laws and enforcement policies pertaining to tax evasion in the United Kingdom UK and United States US Since the inception of taxes revenue collection

authorities around the world have attempted to address the seemingly perennial problem of individuals evading their tax liabilities. The financial crisis has shone a new light on the issue with an increased interest in using the criminal justice system as a means of addressing it. In the UK, in sharp contrast to the US, which has a strong record of prosecuting crimes of tax evasion whether committed by individuals or professional corporate facilitators, providing an evaluation of the UK's tax evasion laws and enforcement policy through a comparative approach. This work highlights insights provided by the US experience. In so doing, the book explores the interconnections between tax evasion and money laundering, identifying best practices, omissions, and areas for reform. The work will be a valuable resource for researchers, academics, and policy makers working in the areas of financial crime, financial law, accountancy, and criminal justice.

Research Handbook on European Union Taxation Law Christiana HJI Panayi, Werner Haslechner, Edoardo Traversa, 2020-01-31. Offering a comprehensive exploration of EU taxation law, this engaging Research Handbook investigates the associated legal principles in the context of both direct and indirect taxation. The important issues and debates arising from these general principles are expertly unpicked with leading scholars examining the status quo as well as setting out a clear agenda for future research.

**Tax Co-operation 2010 Towards a Level Playing Field** OECD, 2010-10-18. The Global Forum annual assessment of the legal and regulatory systems for the exchange of information in tax matters. This year's update now covers more than 90 jurisdictions, including all OECD and G20 countries as well as all of the world's major financial centres.

*The Legal Status of the Financial Action Task Force in the International Legal System* Ilda Cristina Ferreira, 2025-01-07. The FATF challenges traditional axioms and patently illustrates the dynamics of the international legal system. This book fills a significant gap in academic literature by studying FATF's legal nature and its responsibilities in the international legal system as an organisation with public authority. It makes a bold argument that the FATF has gradually evolved into an international organisation addressing international law and international organisation law discourse, combining theory and practice. This book's analytical framework can be applied to any organisation whose legal nature remains undefined, attempting to provide clarity and legal certainty in the international legal system's architecture of the 21st century.

OECD Economic Surveys: Norway 2019 OECD, 2019-12-09. Wellbeing in Norway is high; GDP per capita is among the top ranking countries, and the country scores well in measures of inclusiveness. Several challenges must be addressed, however, if this good standing is to be sustained. The economy is vulnerable to trade risks. Also, though property markets and related credit appear to be heading for a soft landing, risks remain. Norway has substantial opportunities for more effective public spending, remain and exploiting these will become more important as fiscal space narrows. Productivity growth remains low, requiring attention to business policy.

**Implementing the Tax Transparency Standards A Handbook for Assessors and Jurisdictions, Second Edition** OECD, 2011-05-27.
