

BTEC Level 3 Travel and Tourism Unit 7: Assessment 4 (P4, M3, D2)

Assignment title	Winners and Losers
Assessor	Amir Toomeini
Date issued	15/04/15
Final deadline	27/04/15
Duration (approx)	6 hours
Qualification suite covered	BTEC Level 3 Certificate, BTEC Level 3 Subsidiary Diploma, BTEC Level 3 90-credit Diploma, BTEC Level 3 Diploma and BTEC Level 3 Extended Diploma in Travel and Tourism (QCF)
Units covered	Unit 7: European Destinations
Learning aims covered	P4 – Review factors and features that have contributed to one declining and one developing destination in the European travel market M3 – Analyse reasons for the development and decline of selected destinations in the European travel market D2 – Justify how current factors could impact of the European travel market in the future
Scenario	You have decided to respond to a competition that you have seen in the Travel Weekly magazine about European holiday destinations. The competition has asked you to write a travel article titled “Winners and Losers in the European Travel Market”. The article must focus on one developing and one declining destination within Europe, including reasons for the decline or development and potential future impact.
Task	<p>For P4:</p> <p>You should carry out research to find <u>one declining and one developing destination in Europe</u>. Your evidence should explain <u>how and why</u> they are developing or declining and use Butler’s model as part of this process. You must also review current factors that are affecting their development or decline (specific to the each destination).</p> <p>For M3:</p> <p>This develops naturally from P4. Your evidence must include an <u>analysis of the reasons</u> for the development or decline of the two destinations (one declining and one developing).</p> <p><i>A typical merit response could include an analysis of how more sophisticated travellers are independently unpackaging the packaged holiday and are no longer attracted in the same numbers to the perceived downmarket sun and sand resorts of the Costa Brava. This decline is spreading onto the Costa Dorada; however, the draw of Port Aventura and Barcelona is helping to slow the pace of negative change in these areas.</i></p>
