Lorrie Leigh,2023-11-09 What are you thinking Lorrie Why would you tell on yourself to the whole world Answer Because the Holy Spirit asked me to tell my story to help others A central theme of this book is What is wrong with me I learned that what was wrong was that I had many partially split personalities that had not been evident to me or others and that repressed painful and guilty memories from my childhood and adulthood were surfacing The teachings in A Course in Miracles enabled me to face those memories My journey has been painful and a little weird but I am glad I chose to walk into the darkness rather than deny it because that choice led to healing and peace for me I pray that my story will help many others come to a place of healing and peace **Putting on the Mind of Christ** Jim Marion,2011-11-01 Jim Marion s book returns us to the central challenge Christianity ought to be handing us Indeed how do we put on the mind of Christ How do we see through his eyes How do we feel through his heart How do we learn to respond to the world with that same wholeness and healing love That s what Christian orthodoxy really is all about It s not about right belief it s about right practice Cynthia Bourgeault author of The Wisdom Jesus What does it mean to follow the path of Christ today Putting on the Mind of Christ is the first book to offer an integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity *HEALING ACROSS TIME III* Lorrie Leigh,2023-12-05 It has finally arrived What has A prayer guide to assist people to help themselves their family and friends In this book you will find answers to such questions as What can I do to help my son What can I do about my anger How can I keep from picking up people s emotions I gradually learned that it was in my Soul s plan to experience many situations involving outside Souls and negative energies to learn how to clear out those Souls and energies and stay protected and to pass that information on to others I hope you will find this book helpful for

recognized in the late 1980s as a legitimate and a key issue in the chemical dependency field. Most of the literature available on the topic is addressed to the consumer, the co-dependent individual. In Co-dependency, leading therapists share some remarkable insights into the characteristics of the alcoholic, how co-dependents' patterns of responding to the alcoholic, and the particular problems that family members experience as a result of the environment, including fear, shame, and guilt, anger, denial, and confusion. Clinical case material is used to illustrate the value of helping co-dependents through education, peer support, outpatient treatment, and psychotherapy.
