Nightlife Rob Thurman, 2011 There are monsters among us There always have been and there always will be I've known that since I can remember just like I've always known that I was one Well half of one anyway Cal Leandros is 19 He eats junk food he doesn't clean up after himself and fights with his half brother Niko It's a fairly normal life but for the fact that Cal and Niko are constantly on the run Cal's father has been after him for the last four years And given that he's a monster whose dark lineage is the stuff of nightmares they really don't want him and his entire otherworldly race catching up with them But Cal is about to learn why they want him why they've always wanted him he is the key to unleashing their hell on earth Meanwhile the bright lights of the Big Apple shine on oblivious to the fact that the fate of the human world will be decided in the fight of Cal and Niko's lives

Doubletake Rob Thurman, 2012 Family was a hateful bitch it was I had the hot poker scars of that burned into my flesh but scars or not sometimes family was all you had worth playing with Maybe he would see that Maybe he would want to play too I played rough I played to win If anyone knows that having family isn't always a good thing it's half human half living nightmare Cal Leandros But for once it's not his relatives causing the trouble That headache belongs to his half brother Niko His never do well father is in town He needs a favour and if Niko refuses it just might doom the entire city Yet an even more dangerous reunion is in the works The entire lying stealing hormonally charged Puck race including the brothers lethally charismatic friend Robin Goodfellow is in town for their millennial meeting and to hold a lottery that no Puck wants to win As Cal tries to keep both Niko and Robin from paying the ultimate price for their kin a horrific reminder from Cal's own past arrives to remind him that blood is thicker than water and that's why it's so much more frightening to spill
