Zombie Hunter by night** Eileen

Sheehan, 2018-04-30 Get ready for a thrilling ride with Dr Vickie Anderson as she moves to a seemingly ordinary small town to begin her practice as a physician But as she gets to know the townspeople she discovers a world beyond her wildest imagination With a charming vampire as her lover a wise witch as her confidante and a hot sheriff as her sidekick Vickie finds herself navigating a dangerous world of zombie hunters and bloodsuckers Will she be able to balance her medical duties with her newfound role as a superhero Find out in this captivating tale that will leave you on the edge of your seat Vickie Doctor by day Zombie Hunter by night is book one of the thrilling and adventurous Vickie series Here is what a few readers are saying I could not help but to laugh There are things that are mentioned in the book and at about 1/4 of the way into the book I've got some ideas about what may be going on I guess I'll find out On some things I thought I was right on others I was completely off the mark I truly hope that Eileen writes a follow up to this book If I could give this more than 5

stars I would Definitely a paranormal romance mystery with a bit of thriller thrown in This was such a great book The imagination of this author is astounding This isn't your typical zombie book and I didn't really think it horror but everyone is different As I said this is a different take on zombies but it's also a great story Vickie is a doctor who sets up in a new town as their new resident doctor since the old one passed She rents a huge house which she runs her office out of as well as has some boarders turned friends staying with her I don't know what else to say about this book that won't give away spoilers so I'll have to just leave it at that This is a really great book with a strong heroine and two very hot alpha males who both want her Add in some supernatural things like zombies witches and vampires and this book is all you need for a lazy day of reading
