should've become defining moments if we only dared to turn left or right instead of continuing straight on. I've been there. I'm sure you have as well. Having regrets is a horrible thing to feel, let alone dwell on. These defining moments have the power to fundamentally change the course of our lives. As we fast approach the first half of 2015, it's a good time to reflect on how far we've come or maybe where we've fell short and think about what you're doing or not doing to live the life you want. That's why for this issue of the easyuni University Guidebook, we've re-done how we create our courses/careers section with the hope that it'll not only educate but inspire you. We also added new sections like *beinspired*, *featuredmentor*, and *featuredstudent* that showcases people who dared to chase their dreams. We hope it will help you recognize and react to your defining moments when they come. And trust me, they will come. I always tell my children: Always step forward when you see an open door, even if you don't know where it will lead you. I've tried to live off this mantra. But doors can be scary when you can't see what's on the other side. My advice to you: Stop. Look around. Spot the open doors. Then choose. Stay put or step forward. You know the right choice. Trust it. The question is: do you dare? Be awesome, enjoy the read.
