Tourism and Responsibility Martin Mowforth, Clive Charlton, Ian Munt, 2008. This book discusses the responsibility or otherwise of tourism activities in Latin America and the Caribbean. It considers issues such as the reduction of poverty through tourism and the conflict between increasing volumes of air travel spent in our continuing search for pleasure and the resulting contribution to global warming. The authors believe that tourism can only be adequately assessed through a consideration of how it fits into the structure of power. It is also

argued that tourism cannot be analyzed without a consideration of its impacts on and links with development This relationship between tourism responsibility power and development is explored in chapters covering both the macro and the micro level of responsibility The authors look at methods of practising tourism responsibly or irresponsibly at the personal company national and international levels The questions and dilemmas of placing responsibility in the tourism industry are examined throughout Widely illustrating all these themes and issues with examples and case studies from throughout the sub continent this book will be of importance to students and academics and to the work of practitioners of development and tourism related projects run by both governmental and non governmental aid and development agencies **The complete travel guide for Mexico** , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up todate and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you re an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com
